Wendover AGE AKES PIDE IN SCHOOL FACILITIES

Convenient Locations And Equipment For Students Mark Birmingham Schools.

Educational facilities are at their best in Birmingham and Bloomfield Hills... among the finest in the state, being in the highest bracket, and graduates from the high schools are admitted into the University of Michigan without examination, according to Jay A. Walsh, of Walsh, James & Wasy Co.

"This is a very important consideration for the man with a family and the excellence of the schools has drawn many families from Detroit," "I moved out to Birmingham, not just because the principal holdings of my company are there, but because I wanted the best school for my four children," said Mr. Walsh.

"There are five schools, modern in every respect, located so that the children have reasonably short distances to walk. Three are grade schools, one a high school, and another the new Adams school, east of Woodward on Adams or Dodge road, has a grades Kindergarten through Junior High school. Each school has playground facilities, and the high school is equipped with an fine gymnasium as any high school in Detroit.

"Take my own home, located on Quanton lake, a private lake in Quanton Lake Estates," continued Mr. Walsh, "it is the best school in the school and the Baldwin High school than my home on Lawrence avenue was to a school in Detroit.

"In Bloomfield Hills the Bloomfield Hills school at Cranbrook and the New Cranbrook school, of which Dean Marquis is to be headmaster, are right in the heart of the most beautiful part of the Hills development."

D. 1924, in Liber 212 of mortgages, on page 11-12. Said mortgage having been duly assigned to First State Bank of Royal Oak, Michigan, by assignment dated March 4, 1924, and recorded in Liber 218 of Assignments and Mortgages on Page 128 of the Register of Deeds for the County of Oakland, Michigan, on which mortgage there is claimed the principal and interest, the sum of Thirty-five Hundred Ninety-eight and 80/100 dollars, and an attorney's fee of Thirty-five dollars, provided for in said mortgage, and no suit or proceedings at law having been instituted to recover the money secured by said mortgage, or any part thereof.

Grotto Scheduled To Start Sat., June 19th

Capacity attendance as early as the third night of the 12 night engagement of the fifth annual presentation of The Awakening by Shaktian Grotto at the Michigan State Fair Grounds, June 19 through 30, is predicted by Dr. Gordon W. Hill, monarch, and Earl Newberry, general director. This is due to two reasons—the heavy advance sale of tickets and the fact that The Awakening engagement is for 12 nights only, with absolutely no chance of extension. Both Dr. Hill and Director Newberry believe it only fair to the large number of out-of-town patrons of The Awakening to give notice of this condition so that they may plan accordingly and attend as early as possible and arrive as early as possible at whatever performance they plan to attend. It has been the history of past engagements that the attendance increases with each performance, so, in a double sense the Awakening—Come early to avoid the crowd.

The 1926 Awakening retains all the features which in previous years have established the annual Grotto show as one of the big amusement enterprises of the world. Many new features have been added. With its historical program, its dramatic and other terpsichorean numbers, auto polo, its circus acts and its band concerts by Curvotone, the current edition of The Awakening appears the famed "three ring circus" by 100 per cent in its big amusement value, while it has the still finer, additional merit of being a patriotic, fraternal exposition and entertainment.

Free parking space for automobile has been arranged for this year's arrival at an evening's performance. Performances start at 8 o'clock sharp.
