VILLAGE COMMISSION PROCEEDINGS

You will thank your stars at Sixty for your deposits at twenty

SAVING may not seem the most important thing in the world to you at twenty...

You will be supremely thankful at sixty that you saved at twenty.

A little systematic thrift and self-denial now is a very small "insurance premium" to pay for the comforts and independence of your old age.

And this is but one of the many reasons why every young man should have a bank account and save regularly.
