

COUPE OR COACH \$825 BODIES BY FISHER

The Brilliance and Snap of a Real Big Engine

POWERED by the largest engine used in any six priced below \$1000, the Pontiac Six has created an entirely new basis of comparison in the field of low priced sixes.

Here you find at your command what has heretofore been generally considered impossible in a car of this price—the stam-

ina, snap and power of a big six-cylinder engine.

It is literally and emphatically true that the Pontiac Six, both in traffic and on the open highway, exhibits speed and flexibility that verge on the revolutionary. Yet breathtaking performance is but one of the reasons underlying the spectacular success of this new General Motors Six.

Oakland Six, companion to the Pontiac Six—\$975 to \$1295. All prices at factory

WE HEARD IT SAID BY— (Little Editorials placed up by the Staff in and around Birmingham.) Charles A. Bingham, real estate and insurance: "Few people today could make a living as the great contractors did; the rigorous work that preceded the comforts and conveniences that we enjoy today would be too much for our present generation to stand..."

Hazel Lawler, village clerk: "I am in favor of Sunday motion pictures for Birmingham providing that Kopy sky runs the theater; I am against a six-day movie if any other else runs it. Kopysky gives good shows every day, while the other shows are what I classify as cheap."

George H. Mitchell writing from St. Petersburg, Fla.: "I saw Mrs. E. P. Woodbury at Birmingham at the Hotel Dusenberry last evening and she mourns the loss of her Eccentric. I promised her I'd write you and that I would do it in one day. Too warm today for comfort—have shed my winter clothing. Every day since we have been here there has been a Royal Scotch Band in kilts playing in the William Park afternoons and evenings and have missed out one-half day on account of rain."

Dr. Hugo Erichsen, of Harmon Ave.: "The beautiful old trees on Woodbury Avenue constitute one of the principal charms of our village. In my opinion any widening plan that would necessitate their removal would be a sad mistake. Personally I am in favor of relieving the traffic on Woodbury by the means of the suggested Boulevard in the old G. H. & M. road. Those who have no business in Birmingham will be, to be sure, but they would anyhow."
