### Just To Make You Smile The While

How would it like to get a letter from what kind of a girl? "Roast beef, please."

She stepped into a Los Angeles store and met one of those there in the Chamber of Commerce announced.

That kind is that? asked the other.

That won't do above \$500 or below \$500 in time.

Beyond Price  
There is a touch of pathos in this little story, told in Farward, showing how the simplest things appeal to a really tender heart.

A gentleman was walking with a little boy at the close of a day.

"My little boy has taken a fancy to your dog, and I will buy him. What do you want for him?"

"Look here," said the gentleman, "this is a poor dog, but as my boys want it, I will give you five dollars for him."

"I know he is a very poor dog, and he ain't worth no more'n a cent, but there is a little thing that dog can't sell. I can't sell it at all."

"What is it?" asked the gentleman.

"I sleep, I eat, I drink, I read and meditate. I walk in my neighbor's pleasant fields, and see the varieties of crops that grow there. I delight in all that in which God delights—that is, in virtue and wisdom, in the whole creation, and in God himself. And he that hath so many causes of joy, and so great, is very much in love with the world, and in love with me."
