Random Doings of a Random World

Mrs. Amy Clayborne of Chicago volunteered to take a "double oath" before testifying in a damage suit.

A Communist meeting in Glasgow was broken up by a young woman who threw two large bottles of tea-gas into the meeting room.

Miss Olga Dalsten of Copenhagen must pay income tax on \$200 received as an award for heroism.

Mrs. Kate Anderson of Brighton, Eng., left a \$60,000 estate for her sister, giving her own son only \$5.

George Tully of Chicago is only 14, but has run away from home 60 times and will be examined to determine whether he is sane.

Fifty-nine years ago J. C. Weld of Enfield, Eng., was told by doctors that he only had two weeks to live, but he has just died at the age of 103.

Samuel E. Mather, a prosperous farmer of Bolton, Eng., confessed that he had been stealing sheep for 10 years before he was suspected.

Sixteen tutors will look after the instruction of the 10-year-old Emperor of Annam, who is now in Paris to secure his education.

Mrs. Dorothy O'Toole of St. Louis, who secured a divorce on the grounds of cruelty, said she first met her husband at a movie show, where he impressed her by showing a kind disposition.

Police of Hanley, Eng., searched for the perpetrator of a crime, described in a newspaper, later discovering that the item was reprinted from an issue 100 years old.

Alex Muir of Glasgow testified that he had been tortured by police sticking him with needles to extort a confession of theft.

F. M. Kelso of Chicago complained in court that his wife "talked a blue streak and swore black oaths." The judge disapproved of such colorful language.

Near Hull, Eng., 300 passengers were marooned aboard a ferryboat for 15 hours on account of a dense fog.

At his trial for bigamy at Cardiff, one of Francis Lewis's wives testified that he was the best of three husbands she had married.

Joseph Rogers of Liverpool swallowed his false teeth during a meal and died while undergoing an operation for their removal.

Reports show that 96,500 British war widows have remarried since the Armistice.

Seven persons were injured when a herd of steers stampeded while being driven through the streets of Dortmund, Germany.

There are now more than 70,000 motor buses in the United States, an increase of 32 percent in two years.

All the servants have fled from Coupland Castle in England, declaring that the place is haunted.

When George Lester of Chicago was sentenced to six years imprisonment he wept so copiously that the judge reduced his term to three years.

When the house of George Mason at Lexington, Ky., was searched seven hens he had stolen were found under a bed.

The most faithful church attendant at Bromley, Eng., is a brown setter dog which sits inside the church door during every Sunday evening service.

Mrs. Rowe B. Metcalf of Providence and Miss Maude Fisher of New York will accompany the next MacMillan expedition to Greenland.

Mrs. Edith Whitworth, said to have been the first woman magistrate in the world, died at Swinson, Eng., at the age of 60.

Mrs. Margaret Kasenburg, who arrived in Wichita, Kan., 17 years ago without a dollar, now owns 12 apartment houses and will shortly make a tour of Europe and the Holy Land.

Mrs. Mary Layton, of Santa Monica, Cal., celebrated her golden wedding anniversary by having her hair bobbed. She is 73.

Mrs. Henry Landess was elected mayor of Seattle, Wash., the first man chosen to preside over a city of more than 325,000 people.

Mrs. Margaret Thomas of Hollywood, Cal., claims the invention of a device capable of carrying radio waves to Mars and other planets.

In 1913 as much of the average commodity could be bought for 6 cents as can be bought for a dollar today.

Orders for millions of tons of soft coal have been canceled since the anthracite strike was settled.

Horses are growing fewer in the United States, while the number of mules increases.

A new sound-absorbing plaster invented by an Illinois physician, is said to deaden the harshest noises, so they can not be heard in an adjoining room.

Laltimore has a new kind of tax, consisting of a motorcycle with an enclosed sidecar, suitable for one or two passengers.

Pulp of young coconuts is said to contain all the constituents of the human mother's milk.

About 6,000 diamonds have been found in Arkansas, a greater number than any other state has produced.

Old rubber reclaimed last year amounted to one-third as much as the year's consumption.

As a tribute to the great suffrage pioneer, Susan B. Anthony, a memorial clubhouse will be erected in Washington.

Peek-a-Boo Islands, which appear and disappear under the water at intervals, are located in the China Sea.

Government experts have devised a way to weigh electric current, of which an average family uses about one ounce a year.

One of New York's estates has a miniature railway two miles long.

More than a billion dollars will be expended during 1926 on country roads.

STATE OF MICHIGAN, COUNTY OF OAKLAND—
Said pending before George B. Hatrick, a Circuit Court Commissioner for Oakland County, Michigan, between Baker Land Company, a corporation, plaintiff, and Murray O. Bishop and Ross C. Green, defendants.

Summons having been issued in this case and having been returned answered, and it appearing by affidavit on file that the defendant's address is unknown.

It is ordered that said defendant appear at the court room of the undersigned, at my office in the City of Royal Oak, Oakland County, Michigan, at nine o'clock a. m. Eastern Standard Time, on the 13th day of April, 1926, to defend the complaint filed in this cause, or judgment will be entered by default, and that this order be served or published as required by statute.

This suit is brought to terminate the interest of the defendant in a certain land contract for the sale of premises described as:

Lot numbered 325 of the Brons (Meadowcrest) Subdivision of the East half (1/2) of Section Twenty (20), Town 1, North Range 11 E. Royal Oak Township, Oakland County, Michigan, according to the plat thereof recorded in the office of the Register of Deeds for Oakland County, Michigan, in Liber 13 of Plats on page 22.

GEORGE B. HATRICK, Circuit Court Commissioner.

Dated: March 12th, 1926. BIRN & MARTZ, Attorneys for Plaintiff, 219 Elm Bank Bldg., Detroit, Michigan. 48-50

STATE OF MICHIGAN, COUNTY OF OAKLAND—
Said pending before George B. Hatrick, a Circuit Court Commissioner for Oakland County, Michigan, between Baker Land Company, a corporation, plaintiff, and Anatol St. Charles and Helen St. Charles, defendants.

Summons having been issued in this case and having been returned answered, and it appearing by affidavit on file that the defendant's address is unknown.

It is ordered that said defendant appear at the court room of the undersigned, at my office in the City of Royal Oak, Oakland County, Michigan, at nine o'clock a. m. Eastern Standard Time, on the 13th day of April, 1926, to defend the complaint filed in this cause, or judgment will be entered by default, and that this order be served or published as required by statute.

This suit is brought to terminate the interest of the defendant in a certain land contract for the sale of premises described as:

Lot numbered 371 of the Brons (Meadowcrest) Subdivision of the East half (1/2) of Section Twenty (20), Town 1, North Range 11 E. Royal Oak Township, Oakland County, Michigan, according to the plat thereof recorded in the office of the Register of Deeds for Oakland County, Michigan, in Liber 13 of Plats on page 22.

Why have OAKLAND Sales Doubled

1924

1925

All America has bestowed upon the Oakland Six the one sure mark of preference—ever-growing demand. State after state has favored the car so strongly that sales have doubled in the past six months.

you will encounter—more speed than you will care to use—acceleration that excites envy—smoothness of performance unmatched in its field—and, better still, a rugged endurance that assures years of service.

The reasons for this unprecedented favor will be readily apparent to anyone who tests Oakland Six abilities.

Moreover, Oakland's amazing prices—\$70 to \$350 lower—single out the Oakland Six as the unequalled motor car investment of the year.

The car has power for any hill
