### PLAN BRIDGE PARTY TO RAISE FUNDS

Important Event To Be Given November 19 at Northwood Inn

One of the most important affairs of the season is the benefit bridge party which Mrs. Harold Corson, of West Maple avenue, is giving from 2 to 5:30 Friday, Nov. 19, at Northwood Inn, to raise funds for the Women's league building at the University of Michigan.

Proceeds from this bridge will go toward the filling of the \$1,500 bridge made by the Birmingham branch of the League of Michigan Women last spring. One-third of this money has already been paid in.

Mrs. W. D. Henderson, who has charge of the raising of the money for the league building, said that when she took over the direction last spring, she found one-half of the \$1,000,000 necessary for the building had been raised.

"I planned that \$300,000 should be raised by groups and that I should see to the other \$200,000," Mrs. Henderson said. "I find now that the groups have over half there, followed by that more than half of the other part is ready."

Appreciation for Birmingham's liberal support was expressed. Before the bridge last spring, the Birmingham branch had given \$3,000 toward the building.

Wives of Michigan men are eligible to membership in the League of Michigan Women as well as graduates of the university and women who have spent a part of their college career there. It was estimated that a membership of about 35 female teachers has included a study of voice, piano, organ and violin, as well as a short list of honorary members who are interested in music and the promotion of its study.
