BIRMINGHAM PLAYS PORT HURON TO TIE IN HARD CONTEST

Baldwin Eleven Upsets Dope In Holding Visitors On Even Terms

FINAL SCORE IS 7 TO 7

By G. C. Williams
A long hard-fought battle between Birmingham and Port Huron last Friday on the Barnum field, in which a victory was predicted for the latter, ended in a 7 to 7 tie. The visitors found themselves pitted against a team possessing an admirable determination.

This game, the most difficult yet played on Baldwin's schedule, gives better aspects to the big clash with Royal Oak on Thanksgiving Day. The Aconas will meet a team in every light equal to themselves, for while Port Huron was held to a tie by Baldwin High, they were able to conquer Royal Oak earlier in the season. Another team which was able to defeat Royal Oak but not Birmingham is Monroe. They won from Royal Oak 10-3. The Birmingham game was a scoreless tie.

Baldwin's tally came early in the first period. After an exchange of punts, Brown seized a fumble caused by a poor pass, and sprinted 40 yards for a touchdown, to which a place kick by Bell added another point. With an aggressive comeback, the Port Huron team pushed the ball to the home team's 10 yard line only to lose it on downs in the beginning of the next quarter.

Second Quarter Even
The second period proved to be an even struggle. The ball saw-awed back and forth from one team to the other, neither team being able to gain. Near the end of the quarter, Birmingham worked the ball to the visitors' 20 yard line, but Port Huron recovered a fumble and booted it to safety.

Port Huron waged a fight in the third quarter which saw Baldwin to the local team. Receiving the kick-off on her 38 yard line, Port Huron marched steadily down the field. After punting to Birmingham and recovering the ball on a fumble, Jeffroy bucked the line for a touchdown, and a repulse gained another point.

The local team was forced to play a defensive game in the last period being unable to stop the powerful

line bucks which the visitors used. Nevertheless Port Huron could not reach a position from which to strike the goal.

The gaining power of Port Huron was neutralized by the numerous penalties which they received for offenses and still more by the stellar punting of Bell and Brown. The home team's lines was unable to stop the hard hitting forward wall which followed them. Jeffroy, versatile fullback of Port Huron's aggression, possessed the greatest ground gaining ability of either team.

By Quarters
First period—Birmingham kicked off; Port Huron received a penalty and was forced to punt from the 35 yard line. Birmingham kicked Birmingham punt back to the 35 yard line. Jeffroy made 18 yards on the next play, after a penalty. Port Huron punted. Doherty gained five yards and punted to her 47 yard line. The visitors in punt formation fumbled and Brown took the ball for a touchdown. Bell booted another point. Birmingham kicked off and Port Huron made first down from the 40 yard line. Streb's tackle caused a loss of ground on the next play. Birmingham received an off-sides penalty and Port Huron made first down three times with a cross-back and line rushes, bringing the ball to the eight yard stripe.

Second period—Birmingham took the ball on downs and punted to the Birmingham 23 yard line. Bell intercepted a pass and punted again. Port Huron was forced to punt after receiving a penalty for holding. Doherty gained six yards in two plays. A punt by Birmingham to the visitors' 19 yard line and another punt by Port Huron found Birmingham on her opponent's 30 yard line. A pass to Brown netted three yards, a gain of two yards and Doherty made first down on a fumble. Bailey fumbled and Port Huron recovered on her 22 yard line. After small gains the visitors punted. A loss forced Birmingham to punt. Port Huron gained from her 23 yard line, completed a pass after a vain attempt and made first down. Another

123 ARRESTS MADE HERE IN OCTOBER

Monthly Police Report Shows Fines Collected Total \$1781

Of the 123 arrests made by the Birmingham police department, during October, 87 were for violation of a village ordinance and 36 for violating county and state laws. Total of the lines collected is \$1,781.

Money for the 87 fines, which amounts to \$940, goes to the village, while the \$841 in fines for state or county offenses is turned into the county.

About three-fourths of the village cases were for traffic violations. 36 were fined for crossing the intersection at Woodward and Maple avenues against the signal. 24 were convicted of speeding, six were charged with reckless driving and two had no operator's license.

Other grounds of conviction were intoxication, on which charge 16 were fined; disorderly, five peddling, one, and stop street crossing violation, one.

Nine of the county cases were for violation of the conservation law and for intoxication. Five fines were imposed for driving drunk and three for reckless driving.

Other violations which drew fines from Judge Floyd S. Buck, were petty larceny, indecent exposure, issuing bad check, speeding, assault with battery, non-support and entering without breaking.

Lamp-Socket Table Cooking

The pleasantness of electric cooking—to say nothing of its convenience, cleanliness, and perfect cooking qualities—is not limited to users of the large electric kitchen range.

Various small, handsome, and cheaply operated table-cooking appliances are now at the service of the modern housewife. Among these is the Electric Table Stove, (complete with necessary utensils) which will cook three dishes at one time, and cook them quickly, cleanly and perfectly. The Electric Table Stove uses about two cents' worth of current to cook a meal.

Sold by all electrical dealers and at the 61 branch offices of this company in towns and country.
