# Each Day New Proof Pontiac Six Supremacy

Now rapidly approaching the 75,000 mark, Pontiac Six production incontestably proves that there was a demand for a lowpriced six of high qualityand that the Pontiac Six meets that demand like no other car in the world!

In all the thirty-one years of automotive history, the greatest first full year's production ever attained by any new make of automobile did not exceed thirty-

three thousand cars. Yet the Pontiac Six, introduced only nine months ago, has already more than doubled that figure.

This impressive achievement is based not only on the brilliant beauty and spacious comfort that the Pontiac Six offers at so low a price, but also on the stamina, ruggedness and thrilling performance which stamp it a triumph of quality car design and construction.

Pontiac Sie, Sodan or Coupe, \$825. Oakland Sie, companion to Penfiac Sie - \$1025 to \$1295. All prices at Fazzory. Easy to face on the liberal General Motory Time/Payment Plan.
