Vote for Republican State Candidates on November 2

**For
GOVERNOR**

**Fred W.
GREEN**

They Understand State Problems

A vote for Republican candidates is a vote for progress—Roads, Conservation, Sound Government.

Republican State officers can best serve Michigan because they are affiliated with the party that is in national power.

Fred W. Green typifies the ideals which the people of the State desire to find in a Governor—he is the man the people want.

The affairs of the State in all departments including administrative, legislative, and judicial are assured intelligent, conscientious, vigorous attention by the election of the Republican nominees of 1926.
