section, we find that it has a tendency to make the location of the retail stores a permanent location.

W. E. Harmon, well known New York realtor, in a letter to us:

"In reply to your favor of the 13th inst. will say that I think an intelligently laid out and honestly administered zoning plan to be one of the most important factors in the protection of city development, both from the point of view of the maintenance of land values, and the establishment of standards of architecture that serve to guarantee homogeneity and beauty.

W. C. Bittng, Pastor of the Second Baptist Church of St. Louis:

"It is my sincere belief that the policy of zoning in our city has produced only satisfactory results. Personally, I would have rejoiced if all the plans of our City Plan Commission could have been realized. Such as have been put into operation, I think have commended themselves to all the intelligent citizens of St. Louis.

I desire to have it understood that I have no personal interest in the zoning controversy in Birmingham. I am sure that the citizens of your Village will demand fair play and honest statements with regard to zoning.

Very truly yours, WALTER H. BLUCHER.
