We find that the annexation is to be made under Act 279 of the Public Acts of the State of Michigan for 1909, and Acts amendatory and supplementary thereto. The lands proposed for annexation in said petition are all those being in the Township of Royal Oak in the County of Michigan, and described as follows, to-wit:

Beginning at the intersection of the Twelve Mile Road and north West street, so-called, thence north, along the center line of North West street and extension thereof, to east along the said quarter section line of section 9 and section 10, to the center line of Rochester Road, so-called; thence southwesterly along the center line of said Rochester Road, to the south line of Red Run Golf property; thence easterly along the south line of said Red Run Golf property, to the north and south quarter-section line of section 10; thence south, along said north and south quarter section line to the center line of Twelve Mile Road, to the point of beginning.

We find that the said petition was filed with the County Clerk over 30 days prior to the present session of the Board of Supervisors as required by law; that proper affidavits are attached and that all of said proceedings appear to be regular and in accordance with the statute.

We, therefore, recommend that the citizens of the Township and City of Royal Oak, comprising all the territory affected by the proposition, be granted the opportunity to vote on April 5th, 1926 on this question in accordance with resolution as passed on by this Board and the County Clerk be instructed to take the necessary steps and proceedings required under the statute, for an election to be held on the date above specified to decide the matter of said annexation.
