

To the Motorists of Birmingham

**AT LAST!—Birmingham
is Going to Have a Real
“Tire Service Headquarters”**

On Saturday, Oct. 9th, the Doors Open

Completely Equipped

A NEW and completely equipped “Tire Service Station” located at 182 South Woodward will open October 9th, Saturday of this week.

This is absolutely the finest and most complete station this town has ever seen.

Goodrich Service Dealers

WE HAVE been appointed Goodrich Service Dealers for Birmingham and we will at all times carry a complete stock of the famous “Silvertowns”; Goodrich Heavy Duty Truck and Bus Cords; the new Radio Cords and the old Reliable Tire built exclusively for Fords: The Goodrich “55”.

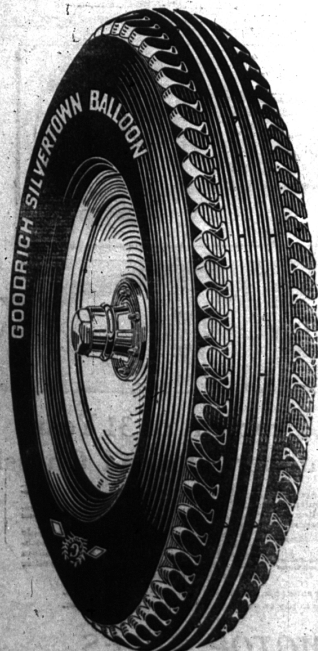

Every Facility

EVERY facility for the servicing of your tires has been taken care of—our equipment is complete. Our tire repairing is done by men who are experienced vulcanizers. We use the Hawkinson method of tire rebuilding. Every job is guaranteed to last the life of the tire.

Remember the day—Saturday, October 9th, and the Place: 182 South Woodward at Brown
