## SHIRTS

That Express Personality

THERE is as great a variety in our new Manhattan Shirts as there is in personal tastes. Whether you favor the quiet, retiring, dignified sort, or the more lively colorings and designs, there are Manhattan Shirts in our selection which will express your own personality. They are made with collar attached, collar to match, or may be worn with separate white collar.

Their exclusive designs and artistic colorings originate at the famous Solway Mills of the Manhattan Shirt Company.

It will be a pleasure to show them to you.
