NEW IMPROVEMENT ON HUDSON SUCCESS

Carburetor And Manifold Result in Better Mileage, Dealer Declares.

A new carburetor and manifold which result in better gasoline mileage, announced by the Hudson Motor Car Company in its latest super-six series...

This improvement is of particular interest, said Mr. Boughner, because all the familiar power and smoothness of the Super-Six motor is retained...

Together with the new bodies in attractive colors, the Hudson motor improvement is attracting a record-breaking number of buyers.

"Now that all announcements of new models are out," said Mr. Boughner, "an outstanding fact is the number of so-called 'new' things which have been called Hudson Super-Six features for many years."

I suppose the most important step forward this year has been a wide-spread attempt to gain greater motor smoothness. Yet Hudson has used a patented and exclusive design of crankshaft for eleven years which is inherently balanced in itself...
