Even a Juggler Can't Beat It

It takes more than price jugging to give the values we offer—and it takes over than talking to show you what we mean by real battery service.

We'l like to show every cowner within a day's drive that this batter is a wonderful battery at the price.

"not only all the advantages of rigidly controlled quality, —but also the freshness of New Colors in Duco"

The creation of an entirely new series of color combinations for the Greater Oakland Six is a typical instance of Oakland progressiveness... Mechanically, the Greater Oakland Six persents the supreme achievement in the Oakland price field. It incorporates numerous features of advanced engineering as typified by tilting-beam headlights with foot control and the now widely adopted Harmonic Balancer. It is built to a degree of precision previously undreamed-of, save in hand-built cars. It provides elements of stamina and endurance seemingly beyond belief—seement of the seement of the see
