Chrysler "60" prices— Touring Car, \$1075; Club Coupe, \$1125; Coach, \$1145; Roadster, (with rumble seat), \$1175; Coupe, (with rumble seat), \$1245; Sedan, \$1245 P. O. B. Detroit, subject to current Federal excise tax.

60 miles plus—with exceptional ease 7-bearing crankshaft 4-wheel hydraulic brakes

Walter P. Chrysler and his engineers, in designing and developing the six cylinder Chrysler "60", strove for a quality of road-ease and road-readiness and supreme comfort which would at once set it apart as a car among cars, unprecedented at its price and its class.

The extent to which the Chry-"60" is dominating its own field, is thus a dream gloriously realized and an ambition splendidly fulfilled.

Mechanically, the "60" has many of the very same features to be found in the higher-priced Chrysler "70" and Chrysler Imperial which include seven-bearing crankshaft, invar-strut pistons, impulse neutralizer, manifold heat control, air cleaner, oil filter, full pressure lubrication, hydraulic four-wheel brakes and shock absorbers.

Come, see the Chrysler "60"-and note the essential fineness of its Standardized Quality manufacture,

You'll recognize it, especially after driving it, as a value utterly unapproached by any other six of medium price.
