DIFFERENT — utterly different in the quality that stands out as distinctly in its exterior beauty as in its interior elegance, the Hupmobile Six contrasts even more strikingly with the ordinary six in performance.

The vigor of its response, the easy way it reels off top speeds with perfect smoothness, the marked restfulness of its riding and driving—these impress you at once as unusual.

And the quality is decidedly unusual — for Hupmobile actually puts 10% extra into materials and workmanship, thus making this the closest-priced Six in America.

If quality means more to you than showy appearance — then inevitably you will single out Hupmobile as the Six of soundest value and surest satisfaction in its field.
