The new location is a decided improvement over our old headquarters at 505 N. Woodward and is situated with the purpose of convenience to our present and future patrons.

An unusually bright and cheery sales room will permit a display of the new beautiful Chevrolet cars that places our new headquarters among the finer automobile salesrooms in Birmingham. Convenient offices for business transactions have also been arranged.

The service department will have a light and airy place for the repair of cars and will occupy the garage located in the rear of the building. Expert mechanics always at your service and all work done at reasonable prices will be our sincere assurance and your guarantee that repair work will be taken care of properly.

If you have not inspected the 1927 display of Chevrolets, we most cordially invite you to attend our opening and see for yourself the automobile that is establishing such phenomenal sales totals all over the country.
