IAMES OLIVER CURWOOD *

IAMES OFIVER CURWOOD

James Offiver Cursood, whose facile pen lassifiled millions of persons with romantic stories of outdoor like on the Canadam morthwest, was buried millions of persons with romantic stories of outdoor like on the Canadam morthwest, was buried for work. A crewn Osyopos, Michigan, Treads of the work of common from his heterathese probably amounted to over \$100,000 annually, died 75 years before his time, at the age of 49. The statement or have dupon one made to this writer justs retirement of this Coerge, when the noted author said: "Just remainer this, Coerge, when the noted author said: "Just remainer this, Coerge, when made to this writer justs after the age of 123. I have found out the secret of life and loving: I am confident that I shall like to the last and healthy, continuing on to attain the age of 123. I have found out the secret of life and loving: I am confident that I shall like to the last and healthy, continuing on to attain the age of 123. I have found out the secret of life and loving: I am confident that I shall like to the last and healthy, continuing on to attain the age of 123. I have found out the secret of life and loving: I am confident that I shall like to be 123 years old."

The days before his death Curwood was in the best of health? I shall shall be could have been a shall be completed for himself; then something happened to heavy to a training the amingthy which like the population of this excellent new virtue and daily be provided in the postent and the proposed of his physical soff resting with the books.

A five weeks ago we sat in Curwood? I shall shall shall have been a shall be provided to the shall shall an a love of his physical soff resting with the loving the last of those who have preceded us in Eternity's endies experiment of the life of the last and perhaps training the amingthy planch is a to those who have preceded us in Eternity's endies experiment to the last and the life of the last threat leads to a clearing in the work of the last and the last a

VACATION DAYS

Wern traveling bags are furbished till they shine. Small grops and wide values open stand. In lumps and humps their bulging sides expand With garb of every sort. All trig and fine. Vacation time brings day of truest sport.

At last arrives the glad eventful day.

The car resplendent in a cost of paint.

Hencath its sagging weight makes no complaint.

Kind neighbors wave farewell.

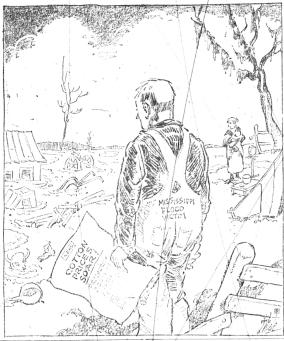

Then, on our way—
Whale merry children laugh and shout and yell.

The joys of home we lightly leave behind,
I orgotten and relinquished with a sinde,
To venture forth in other spheres a while
Yet wheresoe'r we roam,
None do we find

some through the and obtained a goard deal out of whother dearton. They can do little, however, it their backes are in a decadent condition because of the much found and too little nourellment.

It is considered that and and nothing that is substituted by the substitute of the control of th
