The Home

Restful

Electric Servantsquick, efficient, economical, ever on-the-job, give modern housewives the comfort and

leisure denied to the women

of an older generation -

preserve health and strength and lend opportunity for enjoyment of life.

At small cost and with great satis-

faction your washing, your ironing,

your sweeping, and various other of your household tasks are quickly

done by electricity. There is an elec-

tric appliance for practically every household need.

Come in and let us show you how

quickly, easily and economically your housework can be done.
