COMPETITION NOW IN LEAGUE GAMES

Girls' Games And Contests Out Of Town Draw On Junior Crowds

By STODDARD WHITE
The Inter-Sectional Basketball League now has to contend with two others in interest: Adams' Girls' League and the games between the Birmingham Junior High team and out-of-town teams. Nevertheless, interest is not all lacking and the games are watched as closely as ever.

Games Jan. 13:

Adams Wolverines, 6—Adams Yellowjackets, 2

This game, scheduled to play last, was, by agreement with the referees, placed first in order that certain members of each team could play. The game was fast and both teams were aggressive, although in the first quarter and part of the second the Wolverines were slightly wild in their playing.

Lineup:

Wolverines: RR Filer, 2; Higby, 1; Johnson (c), 1; Ford, 1; White, 1; Substitutions—Giehl for White; Schlinke for Pearson.

Goals: Johnson, 2; Dixon, 2; Ford, 1; White, 1; Johnson, 1; Higby, 1.

Box Score: Johnson, 2; Higby, 2; Filer, 2; Seaton, 2; Chamberlain, 2; Dixon, Ford.

Baldwin Wolverines, 7—Adams Red Sox, 4

The Red Sox have a good team, but against the present champs they could hardly be expected to win. However, their playing was good, and although the offense was weak, the defense was good.

Lineup:

Browns: RR Filer, 2; Gillespie, 1; Berger (c), 1; Oliver, 1; Myhr, 1; Goals—Berger, 2; Neal, Moss, 1; Berger, 1.

Box Score: Browns, 7; Adams, 4.

Referee: Ladd.

Adams Celtics, 18—Adams Colts, 17

This was one of the season's closest games. It was well played, and both sides had to fight hard for their score. Both offense and defense on each team were strong. Two 2-minute overtime periods were necessitated by the closeness of the game.

Lineup:

Celtics: RR Chandler, 1; Schwarze (c), 1; Service, 1; Gore, 1; Millington, 1; Substitutions—Walker for Millington.

Goals: B. Schwarze, 8; Chandler, 4; Pogue, 2; R. Schwarze, 2; Millington, 1.

Referee: Van Winkle.

Games Jan. 17:

The games, scheduled to have been played Jan. 18, were played Monday due to the track meet at the High School Tuesday. They were played in their regular order. The first two games were played in the grade gymnasium so as not to conflict with the Adams Girls' League games.

Adams Colts 12—Adams Yellowjackets 4

The game was fast, although the best men did not get in until toward the last, when they warmed up and produced a good game. The Yellowjackets showed improvement over their previous game with the Wolverines, but still need practice.

BIRMINGHAM WINS ROYAL OAK DEBATE

Contest Marked By High Degree Of Excitement, Plaque Is Won.

The most interesting and exciting debate this season was held Thursday evening at Baldwin High School, between Birmingham and Royal Oak. Birmingham won by a unanimous decision.

The question debated was: "Resolved that the United States should own the coal mines." Birmingham defended the negative side of the question. The Birmingham team consisted of Elizabeth Hasall, Mildred Patterson and Carpenter Whitely while the Royal Oak team was made up of Mr. Oldinger, Mr. MacDowell, and Mr. Laramie.

The judges were—Miss Olga Hillier, English in Pontiac Junior High; Chas. Buckley of the Detroit City College, and Miss Marion Treat, English teacher from Mt. Clemens.

This debate was the third unanimous victory for Birmingham this year, as they previously defeated Hazel Park and Ferndale. This victory brings the total number of points to twelve which allows Birmingham to enter the eliminations in March, and also entitles them to a small plaque such as was won last year.

BALDWIN HIGH DROP GAME TO MONROE

Failure To Cage Ball Loses For Home Team; Score 21 To 9

Baldwin High school was defeated by the Monroe basketball team here Friday, by a score of 21-9. Failure to tally on numerous attempts after bringing the ball into scoring position resulted in a loss for the local cagers.

The Maroon and White led a good passing attack and their defensive playing was commendable. The visitors were not allowed many chances, but the ability of Peterson, Monroe center, to score at every opportunity was the visitors' lead which they held throughout the contest.

Captain Streb, guard on the Birmingham team, is to be commended for his splendid work at that position, though primarily a defense man, he worked well in leading offensive plays.

Peterson of Monroe was high point man of the game with four field goals and two free throws to his credit. Yarnell, forward, was the only man of the local cagers who made more than one basket. He scored on two field goals.

Both teams led a good passing attack in the first half, but the down states maintained a lead of 10 to 4 at the conclusion of the first half.

The Baldwin squad is terminating its practice tonight for the Royal Oak game. They are confident of breaking the jinx which has followed them in the first two games. They play Royal Oak at this city at 8 p. m. tomorrow.

Lineup: Monroe: McCormick, RF; Peterson, LF; B. Brown, K; Kutschin, C; Gall, G.

ADAMS SCHOOL GIRLS ENJOY CAGE LEAGUE

Games Played Attract Large Crowds From Student Body; Held Afternoons

The league, recently formed by girls from the Adams School, under the direction of Miss Kriekard, girl's athletic director, has played five games to date.

Considerable interest has been shown in the game by class members, who have attended in large numbers. The games are played on Mondays and Wednesdays therefore not interfering with the Inter-Sectional League games.

At first there was a dispute between the boys and girls as to who should attend the Girls' League games, but after consultation with Miss Frederick, principal, Miss Kriekard has decided to permit boys' attendance at girls' games. The same policy will be carried-out in regard to the Inter-

Sectional League games.

Games Jan. 19:

Cubs 4; White Bangers, 2

The first game in the league was close and fairly fast, proving an interesting spectacle. The guard and offense work on the part of both teams was good, and the whole work was commendable.

Lineup: Cubs: Starr, Crawford; Zabel (c), P; King, B. Johnson; Thomas, RF; H. Starr, LF; Anderson, G; Dinnell, G; Lowman, G; Neal (c), G.

Goals—M. Starr; Zabel; King; Fols; Neal, 3; Lowman, 2; M. Starr; Johnson; H. Starr; Dinnell.

Student Loan Fund To Give Movie Show

The "Campus Film" with Belle Daniels is to be shown at the Baldwin auditorium Monday, at 8 p. m. under the auspices of the Student Loan Fund. This picture was obtained through the courtesy of Kunsky theaters by Mrs. Louis Hasall, chairman of the Scholarship Fund entertainment committee. A great deal of expense, which would have probably made the picture impossible to secure.

There's only one Pontiac Six—and only General Motors could build it

The Pontiac Six swept into the lime light because it came to the public representing all the skill, resources and experience of General Motors. And it has remained in the limelight from the very day of its introduction, because no other car has since appeared which offers so much for so low a price.

Only General Motors could introduce so dependable a car—because no other maker has at his command the facilities of the General Motors Proving Ground and the combined genius of General Motors' Research Staff and of Oakland engineers.

Only the economies of General Motors' vast purchasing power could make possible at \$825—Fisher closed bodies of such commanding beauty, finished in distinctive Duco colors, and such unusual fine car features as 46 lb. crankshaft, honed cylinders, full pressure oiling, automatic spark control, and bronze-backed interchangeable bearings of the costliest type.

A full year has passed since the Pontiac Six was introduced—and the supreme satisfaction of 60,000 owners lends emphasis to the fact: There is only one Pontiac Six—and only General Motors could build it!

Pontiac Six, \$825 to \$975. Oakland Six, companion to Pontiac Six, \$1025 to \$1295. All prices at dealers. Bodies by Fisher. Easy to pay on the liberal General Motors Time Payment Plan.
