## The Packard Six

a supreme combination of all that is fine in motor cars

The Packard Six may be had in a wide range of tasteful color combinations. One of these harmonious effects end the conception of an artist is sure to please your personal preference.

—in short of cars priced above fifteen hundred dollars—you may select a Packard Six and your pocketbook need never know the difference.

The secret is simple. Mechanically supreme, designed and created with superlative talent, with precision protected by inbuilt engineering improvements, the Packard Six retains its comfort, its distinguished appearance, its quiet smoothness of performance throughout an unusually long life.

Owners want to keep this car! They feel no urge to trade it in for "new models." Infrequent service requirements and long life then prove again that buying the best is after all the truest economy.

These assertions are based on the collective experience of thousands of Packard Six owners.

The improved Packard Six five-passenger Sedan is but \$ 2700 delivered at your door, freight and tax paid. To buy out of income you pay \$ 900 on delivery and \$ 160 a month, including interest, insurance and all other charges. The value of your present car is deducted from the first and monthly payments.
