Wendorph Backs Civic Center Site

(Continued from Page 1) and it is the duty of Birmingham to go ahead and see that their hall is built on the civic center.

Mr. Wendorph explained that he did not favor the corner of Pierce and Martin streets as the location for the fire hall because he feels that it is the place for the new juvenile officers when they come. He does believe, he said, that the hall should be placed at Hendrick and Martin streets.

J. A. WENDORPH.
