NEW ELECTRIC ERASER IS ADDED TO NEW YORK LIBRARY EQUIPMENT

An electric erasing machine has been added to the equipment of the New York Public Library. It is not unlike the familiar pencil eraser, but it does not leave a trail of shavings. The machine is used in the circulating department of the library, and it is especially designed to be used on card indexes. It is a portable machine, and it is very convenient to use. It is a new addition to the library's equipment, and it is a very useful one.

PAPER CLAIMED NECESSARY FOR KITCHEN

By HANNAH WING
Not all of the paper equipment is made of paper, and the number of paper products in the market is increasing. The paper industry is growing, and it is producing more and more paper products. This is a good thing, as paper is a very useful material. It is used in many different ways, and it is a very important part of our lives. The paper industry is a very important one, and it is one that is growing rapidly. It is a very interesting industry, and it is one that is worth watching.

SALESWOMAN PSYCHOLOGY

The placing of saleswomen in different departments in a store is not a matter of accident. It is a matter of psychology. A saleswoman should be placed in a department where she can best serve the customer. This is a very important thing to remember, as it is the key to success in retailing. A saleswoman should be able to understand the needs of the customer, and she should be able to provide them with the best possible service. This is a very challenging job, but it is also a very rewarding one.

CRANBROOK PAVEMENT THIRD DISTRICT

Work on the Cranbrook pavement in the third district is well advanced. The work is being done by the city's paving department, and it is expected to be completed in a few weeks. This is a very important project, as it will improve the appearance and safety of the streets in the third district. The paving department is doing a very good job, and it is a credit to the city's infrastructure.

CRANBROOK CURB AND GUTTER NO. 3

Work on the Cranbrook curb and gutter in the third district is also well advanced. The work is being done by the city's paving department, and it is expected to be completed in a few weeks. This is a very important project, as it will improve the appearance and safety of the streets in the third district. The paving department is doing a very good job, and it is a credit to the city's infrastructure.

OAK STREET PAVEMENT

Work on the Oak Street pavement is well advanced. The work is being done by the city's paving department, and it is expected to be completed in a few weeks. This is a very important project, as it will improve the appearance and safety of the streets in the third district. The paving department is doing a very good job, and it is a credit to the city's infrastructure.

CRANBROOK CURB AND GUTTER NO. 2

Work on the Cranbrook curb and gutter in the second district is well advanced. The work is being done by the city's paving department, and it is expected to be completed in a few weeks. This is a very important project, as it will improve the appearance and safety of the streets in the second district. The paving department is doing a very good job, and it is a credit to the city's infrastructure.

CRANBROOK CURB AND GUTTER NO. 1

Work on the Cranbrook curb and gutter in the first district is well advanced. The work is being done by the city's paving department, and it is expected to be completed in a few weeks. This is a very important project, as it will improve the appearance and safety of the streets in the first district. The paving department is doing a very good job, and it is a credit to the city's infrastructure.

SYMPHONY LAWN

The Symphony Lawn is a beautiful and well-maintained area. It is a great place to relax and enjoy the outdoors. The lawn is surrounded by trees and flowers, and it is a very pleasant surprise. It is a great addition to the city's parks and recreation areas, and it is a credit to the city's maintenance department.
