SKILLED DRIVERS ENTER DETROIT RACE

100 Mile Run At State Fair Grounds Sunday Planned A Classic

Plans are practically completed for the running of the 100-mile auto race on the track at the Michigan state fair grounds on Sunday, June 5, which the Detroit Automobile Association has planned to sponsor. The famous Frank S. Lockhart, the world's fastest driver, will start the race at 10:30 a. m. and will be followed by other skilled drivers. The race will be run on the 100-mile track at the fair grounds. The race will be run on the 100-mile track at the fair grounds. The race will be run on the 100-mile track at the fair grounds.

NEW DODGE LINE GOING RAPIDLY

Dodge Brothers has started production of its new six-cylinder line and output is now running at about 100 per day. This number will be increased rapidly and by the end of June daily output will approximate 300. The first shipment to dealers was made May 14 and by the end of this month all of Dodge Brothers' dealers will have been supplied. The company now has orders for the "sixes" sufficient to keep the business now being operated at full capacity for several months. The new line will be produced in three models, a four-door sedan, a four-passenger coupe and a two-

Output of Dodge Brothers "Sixes" Is Being Rapidly Increased; To Be 300 by June 30

The above picture shows the interior of Dodge Brothers' mammoth new plant in which the company's line of fine six-cylinder motor cars is being built. Hundreds of six-cylinder chassis are shown covering every available inch of floor space in the half-mile-long building. Production of the new line was started early in May with an initial daily output of about 50 cars. This rate has been stepped up from week to week and the plant is now turning out about 150 cars a day. Shipments to dealers were started the middle of May and have been made in such volume that practically all dealers have been supplied. Production will be still further increased in June and by the middle of the month daily output will be approximately 300 per day.

CHEVROLET

A car for her, too!

In thousands of average American homes there are now two automobiles—a car for her, too! so there may be transportation for the family while "he" drives away to work.

And the family car has such an infinite degree of usefulness! Downtown shopping, taking the children to school, afternoon calls, meeting trains and the many additional trips that must be made to and from the house as a part of every day's routine.

No other car is so admirably suited to a woman's requirements as the Most Beautiful Chevrolet.

With striking new bodies by Fisher, and finished in pleasing colors of lustrous, lasting Duco, it provides in abundant measure the comfort, charm and elegance that women admire in a motor car. It is easy to start because of its Delco-Benny electric starting system—famous the world over for its excellence. It is easy to stop because of powerful, oversize brakes. And it is easy to drive and park because of a modern three-speed transmission, smooth-acting disc clutch, and a semi-reversible steering gear that gives fingertip steering.

Visit our showroom and see the Most Beautiful Chevrolet. Note the wide variety of body types. Mark their sweeping lines and carefully executed details. And then ask us to explain the easy terms on which a Chevrolet may be purchased—terms that include the lowest combination of handling and financing charges available anywhere.
