

Why You Should Vote for HAROLD T. ELLERBY

for Village President of Birmingham

A Business Man---capable and efficient

For the past seven years, Mr. Ellerby has been the Detroit manager of one of the largest insurance companies in the country. He has been associated with this company for more than 16 years. His present high position and his long period of service prove him to be a man of exceptional ability as an executive.

The Trained mind of a Lawyer

Educated in the law department of Syracuse University, he was a practicing lawyer before entering the insurance business. His legal training will be a real asset to him in the office of President. Birmingham is fortunate to have available a man of such thorough all-around training.

A Good Citizen and Neighbor

Those who are acquainted with Mr. Ellerby know him as a solid substantial citizen and taxpayer—a congenial friend and neighbor. He has an intense interest in civic improvements and a clear vision in planning the future of Birmingham.

Demonstrated Ability as an Organizer

Under the charge of Mr. Ellerby, the insurance office of which he is manager, has grown until it now occupies an entire floor in one of Detroit's largest buildings. He is accustomed to directing a large number of employees and is fully acquainted with modern methods of management.

Progressive---Honest---Fearless

Mr. Ellerby has no ambition to run the village to suit himself—he is too good a business man to believe in one-man control. He has shown that he can work in harmony with others. He is not associated with any special group or political faction. He believes in Birmingham and will work heart and soul to make it a better place to live—a desirable place for children—an ideal community from the standpoint of the citizen and taxpayer.
