Vote "YES" roposition No. Sunday Motion Pictures

AND Commercialized Amusements

BECAUSE a vote for the Ordinance is a vote upholding one of GOD'S COMMANDMENTS. "REMEMBER THE SABBATH DAY TO KEEP IT HOLY." It is a vote upholding THE STATE LAW which prohibits Motion Pictures on Sanday. It is a vote PROTECTING THE CHILDHOOD of the community, the home, and the church.

Birmingham Should Know what it is Getting

You are promised a QUALITY HOUSE. What do the KUNSKY INTER-ESTS call QUALITY? Kunsky exhibited PRIZE FIGHT PICTURES which were brought into the state IN VIOLATION of the FEDERAL/INTER-STATE COMMERCE ACT, No. 10416. Record of the Federal District Court, Detroit, Judge Simmons presiding under criminal case, No. 8878./ Nov. 22, 1923.\one Claude Backus was fined \$500.00 for bringing these bictures in Arbuckle in person to his theaters against protest, thereby INSULTING THE WOMANHOOD of the state of Michigan. The Kunsky theaters are LAW BREAKERS and BREAK THE LAW in every community in Michigan where their theaters are located.

Are You Willing to Accept the Kunsky Standard of Quality?

Sunday Motion Pictures Are Part of the Plan of the Commercialized Amusement Group to Break Down the Christian Sunday In America

It is said that over \$1,000,000 is spent each year in propaganda in breaking down the Christian Sunday. THEY HAVE BOASTED IN THEIR PUBLICATIONS THAT/THEY ARE THE FOURTH LARGEST INDUSTRY IN AMERICA and could elect anyone they desired, from Alberman to President. The screen Supported and elected Alfred E. Smith, Governor/o. New York (First Ferm). The first bill he signed was a bill legalizing them on Sunday. THEY YRY LANGEST INDUSTRY IN AMERICA and could elect anyone they desired, from Alberman to President. The screen tapported and elected Alfred E. Smith, Governor of New York (that term). The first bill be signed was abill legalizing them on Sunday. THEY TRY IN GET THE CHILDREN FROM THE SUNDAN SCHOOL TO THE MOVING PICTURES by opening at the Aunday school hour and offering free lickts (MILWAUKEE, Sunday, July 11, 1925). In some place such tickts have been circulated in the public schools. They have allied themselves with certain raligious Sects (quoting from Editorial Exhibitors Trade Review, Jan. 3, 1927). "Seven Day Baptis, Seven Day Adventiat, Leva and Universalits, and little time should be losy in enlisting their aid." THIS WAS DONE in FLINT, SUNDAY, FEB. 13, 1927. Strand theater had a mass meeting in charge of the Seven Day Adventiat. Their aim has been and is to wipe out every funday law in America, destroying the Christian Sunday.

Sunday Motion Pictures in Relation to Church and Sunday School Attendance

Pennsylvania has 8,770,017 population (1920) over 12,000 Sunday school average attendance. 1,736,000, or nearly one out of every four attend Sunday school. New York has 10,384,829 population, 6,000 Sunday school average attendance. 551,000, or one out of every 20 attend Sunday school while Michigan has one per-lyn in Sunday school for fach 15 of her population.

The Breakdown of the Christian Sunday and its Relation to Crime

Blackstone said, "The praination of the Sabbath is usually followed by a flood of immorality."

Paris has 2,500,000 population and no Sunday. A00,000 soldiers are necessary to keep the peace.
One soldier for every 25 of the people. London/has 6,000,000 population and a Christian Sunday.
10,000 police keep order, or one boliceman for every 600 of the people. Who pays the bill? Juvenile crime increased in Detroit, 1924, 217. In. 1923, 20°. Michigan's prison population half increased 100° in ten years, while the state population only increased 20°. Michigan's prison commitments increased 338° in 1924:25 over that of the same period in 1919. WHAT IS THE CAUSE? Read these out of hundreds:

Brouklyn, N. Y. Teli. 22, 1825. Charles H. Warner, Napt of the Brooklyn S. P. C. C. and in his annual report: The movies at responsible for way-wardness in children more than any other agency."

Police reports of Chicago show 55,000 boys and girls under 16 were in the hands of the police in five years. 46,000 never heard of she ten commandments. Rahway, N. J., Reformatory had 417-young criminals all under 19 years. Only four ever attended Sunday school. Sunday movies keep children from Sunday school. Boys and girls without religious training supply the recruits for the underworld. The increasing crime wave is largely due to the breakdown of the Christian Sunday, the lack of religious education, the commercialization of the Christian Sunday. The greatest offender being the Sunday motion picture show.

Where there is no Sunday observance there is no worship. Where there is no worship there is no religion. Where there is no religion, life and property are not safe.
