STATE OF MICHIGAN—To the Circuit Court for the County of Oakland, in Chancery:

The petition of Oramel B. Fuller, Auditor General of the State of Michigan for and in behalf of said State, respectfully shows that the lands hereinafter set forth and marked "Schedule A," contains a description of all lands in said County of Oakland on which taxes were assessed for the years mentioned therein, and that the same remained as delinquent for non-payment of taxes, and which lands, the total amount of which together with the total amount of such taxes, with interest computed thereon to the time of such sale, and collection fees and expenses, as provided by law, extended against each of said parcels of land.

Your petitioner further shows to the Court that said taxes were returned to the Auditor General under the provisions of Act 206 of the Public Acts of 1893, as delinquent for non-payment of said taxes for said years respectively, that said taxes remain unpaid, except that lands included in said "Schedule A" for the year 1923 were duly returned to the Auditor General as delinquent for the failure to pay the provisions of the general tax laws in force prior to the passage of Act 200 of the Public Acts of 1923, and that they remain unpaid.

Your petitioner further shows that in all cases where lands are included in "Schedule A" as aforesaid for taxes of 1890, and for prior years, the lands have not been sold for said taxes or have been bought in and for the subsequent taxes and the sale or sales so made have been set aside by a decree of competent jurisdiction, or have been paneled as provided by law.

Your petitioner further shows and avers that the taxes, interest, collection fee and expenses as set forth on the "Schedule A," are a valid lien on the several parcels of lands described in said schedule.

Your petitioner further shows that the said taxes on the said described lands have remained unpaid for more than one year after the same became so delinquent; and the said taxes had not been paid, and the same being now due and remaining unpaid, as aforesaid, and your petitioner prays a decree in favor of the State of Michigan against each parcel of said lands, for the payment of the several amounts of taxes, interest, collection fee and expenses as aforesaid and extended in said schedule against the several parcels as set forth therein, and in default of payment of the said several sums, computed and extended against said lands, that each of said parcels of land may be sold for the amounts so found due, according to law, to pay the lien aforesaid.

And your petitioner will ever pray, etc.
Dated February 16, 1927.

ORAMEL B. FULLER,
Auditor General of the State of Michigan, for and in behalf of said State.
