STATE OF MICHIGAN—To the Circuit Court for the County of Oakland in Chancery:

The petition of Oramel B. Fuller, Auditor General of the State of Michigan for and in behalf of said State, respectfully shows that in the lists hereinafter set forth and marked "Schedule A," contained a description of all lands in said County of Oakland on which taxes were assessed for the years mentioned in said lists, and which remain due as delinquent for non-payment of taxes, and which are included in said lists, together with the total amount of such taxes, with the interest computed thereon to the time fixed for sale, and the charges and expenses, as provided by law, extended against each of said parcels of land.

Your petitioner further shows to the Court that said lands were returned to the Auditor General under the provisions of Act 206 of the Public Acts of 1893, as delinquent for non-payment of said taxes for said years, and remain due, that said taxes remain unpaid; except as to the lands included in said "Schedule A" for taxes of 1890 or prior years were returned to the Auditor General as delinquent for such taxes; and that the provisions of the general tax laws in force relative to the passage of said 1890 and Public Acts of 1891, and which taxes remain unpaid.

Your petitioner further shows that in all cases where lands are included in said "Schedule A" aforesaid for the year 1890 or of any prior year, said lands have not been sold to individuals, nor have been heretofore sold for said delinquent taxes nor for sale or sales so made have been set aside by the proper authority or jurisdiction, or have been cancelled as provided by law.

Your petitioner further shows and avers that the taxes, interest, collection fee and expenses as set forth in said "Schedule A" are a valid lien on the several parcels of lands described therein.

Your petitioner further shows that the said taxes on the said described lands have remained unpaid for more than one year after they were returned delinquent; and the said taxes not having been paid, and the same being now due and remaining unpaid as above set forth, your petitioner prays a decree in favor of the State of Michigan against each parcel of said land, for the payment of the several amounts of taxes, interest, collection fee and expenses, as computed and extended against each parcel, against the several parcels of land contained therein, and that in default of payment of the said several sums computed and extended against said lands, that each of said parcels of land may be sold for the said amounts due thereon, as provided by law, to pay the same and costs.

And your petitioner will ever pray, etc.
Dated February 17, 1927.

ORAMEL B. FULLER,
Auditor General of the State of Michigan, for and in behalf of said State.
