- An Autobiographical Novel -By Pathos Petoskey

The Acre

of Diamonds

sian prince who sold his great estate and trav-eled into far countries in search of the legendary acre of diamonds. Years afterward, broken and penniless he returned to find the acre of diamonds in the garden of the castle he had sold.

in the garden of the castle he had sold."

All about you, among the varied landscapes of Birmingham and Bloomfield Hills, are valuable acres whose present and potential wealth you may share. Are unusual movement is going on—the break-up of the big cities—sending the population from congested centers out into the areas where living may be fuller and freer. Get your share of the advance which this movement is giving land values.

Ask us to suggest promising sites from our more than twenty developments about Birmingham and Bloomfield Hills.

WHO'S WHO and

### HOW ABOUT IT?

(Answers to Questions Printed on Page 1)

There are at present three men on the village commission. Four more will be elected May 10.

The village pays each commissioner \$5/for each regular commission meeting he attends. This is all he receives for his services. Birmingham is believed to have been founded in 1819 by John Hunter.

The chances of a change in the form of ment for many years to come are slight, mittee recently appointed to considerable reported there was nothing to be
