#### A STORY WITH A MORAL-

If OW many times have you put up with a worn, shab-by floor because you dreaded the "mess" of painting? And how many times have you window-shopped with hungry eyes, wishing that you might find courage to do over some of the furniture at home in the new vogue? Rogers Brushing Lacquer and Peninsular Paint and Varish will do these things for you because they "Dry While You Wait."

in a certain town there was a
"Haunted House."
People said

they saw spooks and that bats with human voices flitted through the trees of the old weed-grown garden.

But there was a certain wise man who laughed at the idea. He did not believe in ghosts.

And one day he purchased the old house, and he painted it, and he cleaned up the yard, and trimmed the trees and mended broken fences and repaired the roof.

And from that day forth; ghosts were not seen any more.

MORAL: Neglect is the worst "spook" of all. when it comes Happiness and Prøsperity away
