

FOR ONE MOMENT

Peace On Earth
Good Will
Toward Men

Let us pause for
one moment
in silent reverence
for those soldier
dead

Friday, Nov. 11

LET us give thanks that the earth,
once sown with the salt of hate
and watered with the blood of Heroes
has at last grown fertile and now yields
the fruits of peaceful toil.

Let us give thanks that hearts once
closed in enmity are today open in
good will, that hands which once
brandished the sword now guide the
plow and the loom, the scythe and the
pen.

Let us give thanks that we can today
pay silent tribute to our Martyred
Youth. And so, this morning, let us
pause—
