Baldwin Holds Southeastern High To Scoreless Tie; Ypsilanti Next

By GEORGE G. WILLIAMS

A scoreless tie was the result of Birmingham's gridiron battle with Southeastern high school at Berry field, Detroit, last Friday afternoon.

The game was played on a muddy field and under dark threatening skies, which made the players hard to distinguish, especially during the last half. It was witnessed by many spirited backers from Baldwin high school as well as a large number from Southeastern and Eastern high school, the game being played on the latter's ground at Charlesvoix and Concord avenues.

YPSI TOMORROW
Coach George Johnson's squad travels to Ypsilanti tomorrow, where they will meet Central high school at 3:30 p. m. The villagers are completing final practice for the encounter this afternoon at Barnum field.

The Baldwin gridlers are conceding the edge in this contest with the home team in every quarter except the third when the home team reversed its tactics. The visitors were greatly outwitted. Birmingham threatened the Southeastern goal line twice during the game, marching twice to the five yard line, while Southeastern, in the third period, approached the visitors' goal, in each case at the critical moment.

An improvement in the Birmingham forward wall was apparent, the opponents making few gains.

through it, while numerous holes were opened by the Maroon line. Henry, Root, Otis and Wood did well in the center while Schwartz and Brown showed commendable work in the back field.

Behind the line the Baldwin backs gained 144 yards during the game to Southeastern's 108. Of the 141 chukkers in the contest, 62 resulted from the visitors' line plunges and 48 from passes. The Blue and White team worked hard for 39 yards in the first 22 and losses for 47. Birmingham made its first down seven times while the home team recorded six losses on running plays very great and the Detroiters, 26. Birmingham suffered from penalties, losing 25 yards in total for holding or being offside, while Southeastern lost 20 in this manner.

Punting during the contest was frowned upon by both sides. Captain Paulz who played left halfback on the Blue and White team and started on the majority of the home team's successful plays, showed remarkable ability in kicking.

The results of forward passing proved about equal. Of seven tried by Birmingham two were completed and one was intercepted, while the home gridlers tried 12, completed three and had two intercepted. The fourth period ended for Birmingham. One was from Fullback Cox to Left End Brown which gained 20 yards. The other was from Cox to Right End Brown which gained 25 yards. The longest gain of the game was a pass thrown by Captain Paulz to End Shaw which gained 23 yards. Two others gained 10 and two yards for Southeastern.

Gooney, Marston and White halfback, was the most consistent and gainer of the game. He gained 47 yards around end during the game, the longest run being 19 yards.

Birmingham's best chance to score came in the first period when the ball was marched to the Southeastern one and one-half yard line only to be held down by the visitors. An opportunity came in the fourth period after two passes received by Schwartz and Brown from Cox had gained 18 yards and Conney had run 19 yards took the ball to the five yard line. A pass over the goal line failed and Southeastern's one opportunity appeared in the third quarter after repeated gains on passes, and line rushes, the ball was brought to the five yard line, but was held by the Birmingham for downs.

DEBATE SEASON SOON TO OPEN

Baldwin, Again In State League, To Seek Title

Baldwin High School is a member of the Michigan High School Debating League this year and will compete for the Interscholastic Debate Championship of the state according to an announcement by Professor G. E. Donmore of the University of Michigan, the Manager of the League.

The first step in the forensic race for state honors will be taken school debating team coached by H. Earle Corvett, of the faculty will meet one of the neighboring schools in a debate on the subject:

Resolved, That the Direct Primary System of Nominating Candidates for Public Office in the United States Should Be Abolished.

The two schools participating in this final debate will each receive a trophy cup presented by the University of Michigan Extension Division, and each of the six debaters will receive a gold watch as a testimonial of individual merit.

Every high school that qualifies for the Elimination Series of debaters will be presented with the University of Michigan Wall Trophy, which is a mahogany shield 18 inches high by 15 inches wide, upon which is superimposed a nine inch solid bronze medallion with embossed lettering.

A large number of high schools from all parts of the state have already joined the League, and it is expected that by Oct. 22, the date and

when the League enrollment closes, the membership for the year will surpass last year's record membership of 235 high schools.

Any four-year high school in the state may become a member of the Michigan High School Debating League by applying for membership to Professor G. E. Donmore, Manager, University of Michigan, Ann Arbor, Michigan.

YPSI NORMAL GRADS HOLD BRIDGE PARTY

Members of the Birmingham faculty who are graduates of the Normal College at Ypsilanti held a bridge party, Thursday night at the Community Home to raise money for the subscription fund for the new Union building in Ypsilanti. The hostesses of the event were Miss Carol Stanton of the Adams School, and Mrs. Ethel Waldman of the Baldwin High School. The winners of the prizes were Mrs. Maurice Carter and A. L. Van Winkle.

COUNCIL BOARD BEGINS IN HILLS

Cranbrook Names Students To Take Place Of Governing Body

A student council is active today at Cranbrook Boys' School following the election last week of representatives to it from each of the three forms. This council will meet with the headmaster, Dr. William O. Stevens to discuss matters of interest to the school.

The first classification will take place this week-end. Boys in class are unsatisfactory in general conduct. Class D is only for those who are on probation and in danger of being dropped. Classification is based on estimates of effort or industry and general cooperative attitude in school work and in the community.

The boys have divided into two clubs for intramural sports, the Fountain and the Hill. Orchestra rehearsals have begun at the school, as well as the Saturday night entertainment in the auditorium. Gustavus Pope will speak Saturday night on hunting with the bow and arrow. His talk will be illustrated with his own motion pictures. A program of moving pictures was given last Saturday night and the Saturday preceding, Albert Stoll, conservator of the Detroit Zoo, gave an illustrated talk on hunting, Michigan fisheries and lake fishing.

At its meeting last week, the School League drew up a Constitution and by-law for the school. Two clubs for athletics have been formed, and named the "Hill" and "Fountain" and the two names referring to the gathering places the first day. The Fountain has chosen the tennis tournament under the auspices of two organizations was held over the week-end.

FUNDS ARE RAISED BY PICTURE SHOW

More than 1,100 persons, forming what is reported as the largest assembly ever gathered in the Baldwin High School auditorium attended the moving picture presented last Friday night by the Ypsilanti Normal Association. Jackie Coogan was featured in the picture, "Johnnie Get Your Hair Cut," shown before the record audience.

PLANS COMPLETED FOR GROUP MEET

Plans are being completed today for the assembly to be given in the Baldwin High School and the short play is planned for the program. The committee for the making arrangements for the meeting are Miss Ethel Walker, class advisor; Clifford Farmer, president; Catherine Lipka, Loretta Porritt and Warren Pratt.

Ready for Winter's Coldest Day

You cannot see the interior surfaces of your boiler piping, etc. in your heating system. Are they rusty and dirty?

VINCO

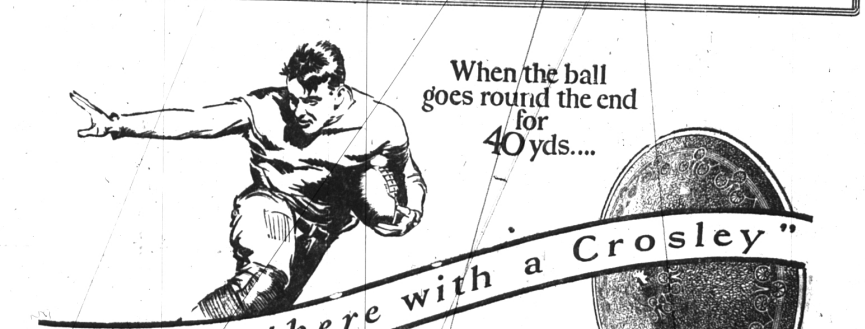

Will clean your heating system of all dirt, oil and rust. One Vinco Treatment is a little job with big results.

Now You Can Buy Crosley Radio Receivers In Birmingham

Now, with no patent limitations to hamper, Crosley sweeps the radio field with the 6 tube BANDBOX receiver at \$55

No wonder a waiting world proclaims the "Bandbox" at the unprecedented price of \$55—Radio's paramount achievement.

The great radio patents of The Radio Corporation of America, The Westinghouse Co., The American Telephone and Telegraph Co., and The Hazeltine and Latour Corporations combined with Crosley's experience, mass production methods and radio leadership produce the superlative value of the radio market today.

Such resources at his command have resulted in the greatest Crosley triumph—a 6 tube receiver with all elements. Completely shielded—absolutely balanced in its radio frequency stages and including features and refinements at a price of \$55, which are the chief talking points of sets twice its price and more.

This Bandbox is totally shielded! Copper shields cover coils, cadmium-plated steel covers the condensers. Wiring is completely shielded from both. The Bandbox is completely balanced. It is a genuine neutrodyne.

The Bandbox is equipped with Accumulators—secondary adjustments to be used only on weak, distant signals and when cruising for far-away stations that ordinary one dial sets miss entirely. The "Bandbox" possesses a volume control by which strong local dancing volume can be reduced to a whisper without distortion or detuning.

The Bandbox operates with a single tuning knob which turns an illuminated dial. This feature for shadowy corners is greatly appreciated.

The Bandbox is easily installed in console cabinets being so designed that a few screws removed from the escutcheon and the bottom releases chains from the outerside metal case. See it at Crosley dealers now!
