It is a curious historical fact that the five Presidents of the United States who died in office were elected in 1840, 1860, 1880, 1900 and 1920, at 20 year intervals. Wonder if this peculiar circumstance will cause any superstitious aspirants to say "I do not choose to run in 1940."

Sane

Fat Reduction

Excessive fat is unsightly, unhealthy and unnecessary. Commonsense and willpower used in your diet; the proper amount of exercise, together with a sufficient amount of Rite-Wate Fat Reducer, should give you a trim, healthy figure with added vitality—with renewed youth. One envied and admired by all.

It stands to reason, that lazy persons eating improper foods to excess, will not feel right nor look right. Don't expect Rite-Wate to perform miracles, but when sane judgment is exercised you can expect Rite-Wate to help you attain your normal weight, and a neat, healthy figure.

Rite-Wate is a strictly vegetable compound in tablet form. A Doctor's prescription used for eleven years. Many have benefited and told others of the good results. Be fair to Yourself. Try it now. $1.00 and $5.00 sizes. (The larger size is more economical.)

"Ninty-seven come next August," said the old man, and added testily, "If you folks will take the trouble to look up your statistics, you'll find that mighty few men died after they're 97."—Exchange.
