To Drink Or Not To Drink?

Ever since man first held his head out of the slime that made his crawling frictionsless...

And thus, too, it is with this terrific prohibition question confronting these United States...

Actually, obey you ever look upon prohibition (we refer to the liquor angle of the subject) as an attainment...

History records, most eloquently, the War of the Crusader. Any man or woman, on fire with a divine attitude...

Slavery once was the accepted fashion in this country, and Lincoln issued his famous Emancipation Proclamation...

Yes, prohibition today is a real issue before the United States. Some people believe in it, some live strictly within the letter of the law...

Prohibiting the use of liquor is distinctly a chance for people to think less of their bodies and more of their intellectual and spiritual selves...

Those who are against the use of liquor do not drink, and they are safe from its influence...

Several of the churches of Birmingham have been built recently because the parishes have grown to such an extent...

Of course they are all working toward the same goal and taking different routes...

Believe it or not, today respect the rights of others to do as they see fit...

Henry M. Leland's Success

To live for 83 years upon this earth and see your dreams crystallized into products that have created wealth, and a large measure of happiness for people...

Two outstanding modern automobiles, the Cadillac and the Lincoln, were originally conceived and worked out by Mr. Leland within the last 25 years...

Hugh B. Clement

Birmingham mourns the loss of Hugh B. Clement who died last week after a brief illness. Mr. Clement was a man of unusual character and ability...

"The Power Trail"

One day last week we were privileged to see "The Power Trail," a motion picture depicting the efforts of the Consumers Power Co. of Michigan...

Those Improvements

A request from Manager James W. Parry that Birmingham land owners who want improvements to their street...

Birmingham Churches

Continuing their growth at a remarkable rate, the churches of Birmingham give the lie to a more or less current belief that religion in the United States...
