Franklin Village
If your tastes lean toward life in the country, Franklin Village will delight you. Its building sites run as high as two acres in size—none are less than a third of an acre—irregularly platted among the hills and winding drives. Careful restrictions and wise planning are your assurance that this will be a district of character and distinction. It is in the heart of the country club section, yet easily accessible from Detroit. Why not drive out tomorrow and see it for yourself?
Take Maple Road west of Birmingham, past Oakland Hills Country Club, then south a mile on historic Franklin Road.
