## ROCHESTER IN 7 TO 1 DEFEAT

afternoon while chilling winds swept the field and caused the ball to do unsuspected antics when lifted on high flies.

Birmingham played a steady game, scoring in every inning except the sixth. Safe hits were frequent for the villagers, Cooney opening the batting with a single and coming in after a steal on Wedge's two bagger, the longest check of the game. The heaviest scoring which was in the third and fourth innings was done on Rochester's errors. Wedge twisted in fair condition, Tuesday, striking out eight men, six of whom were struck out in succession.

One strikeout was turned into an advance of one base when Mix dropped a third strike. This made it necessary for Wedge to down four batters to retire Rochester in the second inning, and would have given him a record of nine strikeouts.

Errors were eliminated a great deal more in this contest than in the opening game with Berkeley Wedge, Ralph Schwarze and Brien.

### START PLACING STREET SIGNS

#### 150 New Markers Ready For Paved Intersections Soon

Placing 150 new street signs in Birmingham will begin in a few days, according to an announcement made today by Village Manager James W. Parry. These signs are black letters on an aluminum background and are supported on iron pipes. The village has had them in stock since fall but due to frost in the ground has been unable to put them in.

These new signposts will be placed at the intersection of all paved streets, Mr. Parry said. In the future the village intends to mark all intersections in this way, a project which will cost between \$8,000 and \$9,000, according to the estimate. The placing of the 150 signs this year will cost \$1500.
