FIRST NATIONAL BANK

colored palansas. She handles the love seeme of the second act with savoir faire.

The plot of "The Command to The plot of the Command to The plot of the Command to The plot of the Command of the Pench embassy in Madrid, as young millitary attache is commanded by his chief the French Ambassador, to woo and win the within forty-eight hours. The war military is blocking a treaty desired by France. He is known to be under the sway of his lovely awayed by her affections, and the bandsome young attache is just the person to engage them. The way of the chief wife. Her jealously is such that he cannot explain to the rhis dilemma. Certainly, he can't explain the cannot explain to the rhis dilemma. Certainly, he can't explain strains of the Marsellain, the young attache the his dilemman to the plant of the the cannot explain to the rhis dilemman to the Marsellain, the young attache braves all the complications of his delicate mission, and the Franco-Spanish treaty is Tullio Carminati handles the

young attache braves all the complications of his delicate mission, and, the Franco-Spanish treaty is ultimately effected: handles the role of the young attache with urbanity and wit. Vloic Kemble Cooper is magnificent in her seenes of repressed suspicion and jealous rage. Henry Stephenson as the French Ambassador and Ferdiagnal, flottechalk as the French Ambassador and Ferdiagnal, flottechalk as the Section of the Section Photos show Muni without makeup, top, and with make-up below.

Jannings, because of his thick
German accent, is laid asdec Trureot; be discarded:
