# The Lower Rio Grande Valley

WE have just returned from a trip to "the valley" . . . and find conditions there even better than we had hoped to find.

Convince yourself of the advantages of this garden spot of the world . . . there will be an excursion on December 14th. Phone now for information.

> The Lower Rio Grande Valley in Texas is destined to become the winter gardens of the United States.

We will be glad to explain our plan of taking you to see it . .
