

MEAT FRAUD CHARGED TO 3

Suspects, Under Heavy Bond, To Appear Today Before Buck

Charged with conspiracy in an attempt to cheat and defraud the Parker, Webb packing company of Detroit, one man is in jail and another was to be examined in the justice court of Floyd S. Buck today.

A third, Sol Sten of Detroit, is also named in the conspiracy charge by the complaining witness, John M. Walker of the packing company. A warrant for his arrest is in the hands of the police who are seeking him.

Evidence against Jave Dicken will be heard by Justice Buck. Walker Russell, who is in jail on default of a \$15,000 bond, waived examination, Tuesday afternoon, when he entered a plea of guilty and was bound over to circuit court. His arraignment in circuit court will be within a few days, it is expected. He is in jail since his appearance in justice

Miss Nettie Baser, of the Bloomfield Hills School: "By a large attendance at the Christmas Pantomime to be given at the Bloomfield Hills School we hope to raise a considerable amount of money for the South Birmingham Day Nursery Project. Tickets may be obtained by phoning me at 934 or calling the Community House."

court, Saturday, when he failed to raise his bail and was held for examination. Dicken was freed on a bond for \$15,000 secured through the American Employers Insurance company.

The three are charged with conspiring in establishing a meat market on east Pike street in Pontiac. They purchased \$230 worth of meat from the meat company, it is alleged. They are believed by the prosecutors to have paid for the merchandise with a bad check and sold the meat at less than wholesale price in two days of business, Nov. 23 and 27. It is believed that the meat which they did not sell was taken in to a truck and taken away presumably to the meat shop owned by Dicken on Grand River avenue in Detroit.

Suspicious that these men are the same who have been racketeering in Detroit during the past year is reported by officials who have worked on the case. Several Detroit meat companies have received bad checks for goods purchased by markets which opened and closed within a few days. Attorney Guy Bratton of Detroit who has been conducting an investigation for several months will appear with evidence he has found.

The defendant's attorneys are Floyd Blackley of Pontiac and William A. Newman of Detroit.

"Ancient and Modern Neuro-mania, alias Mesmerism and Hypnotism, Denounced" was the subject of the Lesson-Sermon in all Christian Science Churches on Sunday, December 2.
Among the citations which comprised the Lesson-Sermon was the following from the Bible: "And then shall that Wicked be revealed, whom the Lord shall consume with the spirit of his

mouth, and shall destroy with the brightness of his coming." (11 Thess. 2:8).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "The wicked man is not the ruler of his upright neighbor. Let it be understood that success in error is defeat in Truth. The waterword of Christian Science is Scriptural: 'Let the wicked forsake his way, and the unrighteous man his thoughts.'" (p. 234).
