RADIO

One can almost imagine Christmas without Holly . . . without Santa Claus . . . without Mistletoe . . . in fact without most anything in this day and age better than without a RADIO! . . . The Wonderful Christmas programs . . . simply DEMAND hearing! . . . And after all there IS no reason why anyone in the village should be WITHOUT a Radio! Grinnells Music Shop, 121 N. Woodward Ave., has a complete stock of marvelous instruments . . . they have an almost unlimited source to draw upon from their Wholesale Stores and in addition they have perfect installation and upkeep service! . . . In other words there IS NO excuse . . . so GET THAT RADIO and GET IT TODAY! You can buy on deferred payments IF YOU WISH!

Christmas without Candy? . . . Why Haven't I met ANY of Such animals! . . . and of course we mean GOOD candy . . . and BECAUSE we mean GOOD candy we know that Christmas Shoppers will choose their sweets from Stewart's! . . . They've SUCH delicious candies . . . and best of all when one is buying for tiny tummies . . . and Christmas candies are such a large part of a youngster's Christmas, it's a joy to know that these candies are ABSOLUTELY pure! Incidentally Stewart's is also headquarters for delightful party favors of all kinds! So prepare for holiday festivities NOW!

Beech-Nut

Remember 'way last Spring what fun it was visiting Hallock's Beech-Nut Demonstration! . . . Tasting all the delicious samples 'till we bought a full package in sheer defense . . . everything was So Good! . . . Well, Mr. Nichols, the same interesting demonstrator will be at the store, 112 W. Maple Ave., again on Saturday, Dec. 8th, to give a complete demonstration of this famous Brand of Goods! . . . Housewives interested in preparing Holiday delicacies (and after all WHO isn't) will get many marvelous ideas regarding Salad dressings, Jellies, Jams and an infinite variety of Canned Goods! . . . Any ways we'll ALL be there!

Christmas Time at any proper Army Post is lots more fun if there are tiny soldiers to REALLY make life worth while! . . . and so the Wooden Soldier (Wise General, that he is) surrounds himself with the VERY LITTLEST SOLDIERS OF ALL! The Toy Shop in other words is guarding the cuttiest, cutest Dolls that ever graced a barracks! . . . Tiny Infantry Dolls that seem like REALLY TRUE Babies and a most engaging Patsy affair who bids fair to flirt most outrageously with the first officer to beave in sight! . . . Anyways they are ALL adorable and youngsters will LOVE them!

A Soft Derby! Sounds sort'a "muddy" doesn't it? . . . Nevertheless 'struth . . . I saw one with my own eyes! Chas. R. Peck Sons, 102 S. Woodward Ave. (OF COURSE it would be this progressive store!) showed me one this week . . . and it seems almost uncanny! What a fine lot of denting it would take . . . and still come up smiling! . . . It's simply a hax in Derby style fashioned of SOFT felt! . . . Just a WEE bit differently shaped perhaps than the regulation Derby. But still for all that a DERBY and terribly smart! . . . Incidentally this same store has a complete line of marvelous looking head gear for swagger males! . . . They

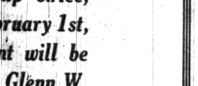

For a long time I've been wanting to tell of the cunning affair I saw at The Bloomfield Hills Antique Shop . . . but what with the dozens and dozens of delightful things that fill that lovely Shop . . . it just escaped being told . . . But 'nnow is in the air I'm thinking awfully hard of The cunning Foot Warmer of Grandmother's day that I saw! . . . No alibi there if you please, that it was "Too cold to go to Church!" Grandmother simply packed up her efficient little Foot Warmer and trotted off to bray the long winter sermon! . . . and its a question if her tiny pink toes were one bit warmer, than her righteous blit of a former day would make a most delightful ornament in some nook or cranny of a lovely room!

Of course everybody COULDN'T move every day! . . . but it almost makes one wish that they could when you see the marvelous values that a REMOVAL sale is responsible for at Mulhollands, 119 N. Woodward Ave. and JUST IN TIME for Christmas Shoppers, EVERYTHING from flowers to bridgelamps, and featuring the new INVERTED bulb. If you want something very, very NEW ask for the DEBUTANTE series DE VILBISS atomizers and just see if you don't snatch up every one they have, sighing, "JUST what I've been looking for." And don't forget that Shain's have PERFUMES too, that will just suit these smart atomizers.

The Grand rush of Christmas Shopping is on . . . and meals are bound to be more or less sketchy affairs . . . even in the BEST regulated meals! . . . and especially the NEARER it gets to Christmas Week! . . . So here's a word to

Course we DID tell everyone last week about the perfectly gorgeous Mules, pumps and regulation Bedroom Slippers that could be obtained at Williams Boot Shop, 121 W. Maple Ave. But it's such a VERY important subject this time of year that I would like to say again that if you're looking for slippers for any member of the family or for that "most particular friend" this clever Boot Shop will be able to supply your wants! Rich, gleaming patent leather affairs exquisitely lined in coral satin! Dainty pastel colored satins . . . quite effects and the ubiquitous Felt!

What a tragedy it would be to have Christmas Morning dawn and that last coat of enamel on Daddy's smoker . . . or Mothers Sewing Cabinet . . . or Brother Bill's Tie Rack NOT QUITE DRY! . . . Oh, it WOULD be tragic indeed! But you CAN'T blame me for I've told you plenty early and I'm telling you AGAIN . . . For the best of all reasons with the PERSONAL THOUGHT . . . one may select materials at the Devoe Paint and Art Shop, 147 S. Woodward Ave. and decorate an infinite variety of beautiful Gift Articles HAS TO DRY!
