CAGE SEASON OPENS DEC. 11

Large Squad Working Out Daily At Baldwin For St. Clair Tilt

A squad of 40 boys is now being put through daily training by Coach Ernest Engel at Baldwin High School in preparation for the season's debut against Lake Shore High School at St. Clair at 4 p. m. Tuesday.

Twenty players were expected, Tuesday, to join the squad of 23 which has been practicing during the past two weeks. The football men who commenced practice this week comprise the larger part of the varsity squad.

The initial cut of the squad will probably be made the first of next week. It is expected that Coach Engel who plans to maintain a crew of 10 regular and 10 second stringers with five extras to be worked in as needed.

A great deal of time in the preliminary practices with the entire squad will be spent in finding forward possibilities, the coach said. "There is an abundance of guard material but not many forwards. The squad which has been practicing before the tilt on Tuesday has produced a few possibilities that may work into valuable material," he noted.

The game with Lake Shore, a class C school of a credible record, is planned to feel out the strength and weaknesses to be considered before the Pontiac game, Dec. 14, at Pontiac High School.

The three veteran men now getting into shape for the cage game are Captain Floyd Doherty, Herman Schwabe and Roderick Cox. Other members of last year's regular squad who are back include Douglas Berger, Ralph Schwarz, Hartwell Ladd and Thomas Ellerby. One of the like candidates from the new material is Curtis Gibbs, a sophomore.
