10 BIDDERS ON NEW CHURCH

First Baptists To Consider Offers For Construction On Willett's Street

Ten bids have been received today by Muehlman & Farrar, architects for the construction of the new First Baptist church on Willett's street, according to Leonard Bunyan of the church board. Next the bids are to be presented to the church board for consideration. It is planned that the church, which is to be one of the finest in Oakland County, is to cost approximately \$150,000, according to the committee.

ELECTION LAWS ARE EXPLAINED

(Continued from Page 1) number of days before an election and must go in person to the township clerk to do so. To vote at the first primary election, for the purpose of nominating candidates for township offices, a person who has the other qualifications, must be registered not later than Feb. 18 to vote at the March 7th primaries. The elections are April 2.

The method is not the least bit complicated and full instructions are given in the election notices which appear in The Eccentric before the elections.

It is with the everyone who is qualified would register and would vote at all primaries and at all elections. This is the only way the will of the people can be carried out. The election board is helpless when people come to vote without first having done their part in registering.

While it is true that the voter who is not familiar with the law are not valid and the election board can do nothing when the name of the citizen has not been registered. There is no alternative. The citizen, not registered, is not allowed to vote.

A petition is being circulated for Robert R. Allen to succeed himself on the Bloomfield Township board of review. Mr. Allen is the only member of the board who comes up for reelection.

The petition for the nomination of Iva Marlotte to succeed L. Virginia Hewitt as township treasurer was filed this week.

CONSUMERS COKE CORPORATION FORMED HERE

(Continued from Page 1) Pontiac, has been closely studied by the substantial type of investor as well as the leading merchants of the city.

This chain of neighborhood stores, the Community Improvement company is financing are being built for the Atlantic & Pacific Tea company, who, make a scientific study of every community before beginning expansion.

"Already we have broken ground and have buildings under way in three different parts of Pontiac which are showing particular active residential growth with other locations ready for improvement as soon as our building plans are completed.

"It is of course, a satisfaction to us to see our judgment in the future of Pontiac confirmed by such merchandisers as the A. & P., and in addition to this, we have in our offices at the present time additional requests for downtown Pontiac store sites from two of the foremost merchants in New York City who operate chain stores in other lines."

LUNCHEON CLUB TO AFFILIATE

Young Men's Service Group Votes To Accept Lions Club Charter; Representative Here Soon

The Young Men Service club of Birmingham voted unanimously to affiliate with the Lions club of America at their regular meeting yesterday noon at the Chamber Tea Room.

A district representative of the Lions club is expected in Birmingham at an early date to discuss the business of affiliation. At that time it is expected new members will be elected and a new charter accepted.

"We feel that by affiliating with a national organization the club will be able to enlarge the scope of its activities and that more good can be accomplished," said Raymond Peck, president.

The club has been in existence here for four years. There are three clubs of this kind in Birmingham. The Rotary and Exchange are the other two.

Eugene Parmenter of the First State Savings Bank and John Wright of the Bloomfield Open Plant club were guests of the organization at yesterday's meeting.

NEW LIBRARY BUDGET PASSES

(Continued from Page 1) longer hours the building is open said Mrs. Iva Marlotte, a member of the board who explained the plan to be made of the money.

The following items appear on the budget: janitor and cleaning \$200; electricity, \$200; heating \$700; building supplies, \$200; repairs, \$200; supplies, publicity and incidentals, \$350; extension work, \$300; salaries, \$5,650; and new books, \$2,000.

The total of \$12,000 is comparatively low for the books needed approximately \$1,700 from last year's allowance will be used for the purpose, Mrs. Marlotte said. She explained that because of the small amount of the old fund, the purchase of books was postponed until the completion of the new library.

The item under extension work covers the proposed institution of a branch at the Pierce School. No date has been set for the start of this service but placing a number of books in the school and at the disposal of residents of the district is contemplated. Members of the board are completing details of the plan and it is expected to be inaugurated as soon as the appropriation is granted.

Usually the allowance is figured at the rate of \$1 per capita. Mrs. Marlotte said. This conclusion is reached by the American Library association, she told the commission. Because of the amount held over from the allowance of last year, Birmingham is able for 1928 to keep under this ratio, she explained.

SERG. GREEN LEAVES FORCE

(Continued from Page 1) by the promotion of Green's successor, Scouts' Chorus.

Green was a member of the Pontiac police department before leaving the force here. He was made patrolman in Birmingham in 1919 but the following year he left to manage a business enterprise in Detroit. He returned in 1922 and was promoted in 1924 to sergeant. Since then he has been in charge of the fingerprint bureau of the police department.

Chief Anderson spoke highly of Green in commenting on the retirement. "He was a thoroughly dependable officer and we will miss him," said the chief. "We always knew we could depend upon him and several times distinguished himself in carrying out his duties. He has made a wide acquaintance and was credit to the department."

The chief said Patrolman Joseph McGregor will be in charge of the fingerprint work.

Green said the new restaurant will be run on an entirely different policy than heretofore. Many improvements are being planned, he said, and he expects it to become popular in Birmingham.

DEBATERS IN STATE FINALS

(Continued from Page 1) winning, says Coach H. Earle Covert.

Judges in last week's battles were: Superintendent J. Upton of Oakridge high school; M. Carlyle Bigger, debating coach at Northwestern high school, Detroit; and Hamtramck high school.

Debates are under the direction of the University of Michigan. Throughout the state 240 high schools participated. There are 64 schools still eligible. Elimination contests are to be held with the two teams who remain undefeated to debate April 27 in Ann Arbor for the state championship.

PARKED CAR DAMAGED ON SLIPPERY ROAD

Skidding as he attempted to stop his car at Woodward and Humphrey avenues Sunday afternoon, the rear of the automobile driven by W. G. Buchanan of Westfield was damaged, as reported by H. R. Straus, 191 Edgar street, Royal Oak, which was parked in the curb. No one was injured and slight damage was done to both autos, police report.

Rubber shock absorbers which encircle the hubs of trolley car wheels are being tried out in Baltimore.

WOMAN FACES CHECK CHARGE

Hard Luck Pursues Former Owner Of Mother's Lunch; Trial Today

Mrs. Bertha Kyle, Thirteen Mile Road former owner of Mother's Lunch, was today in court to be tried today before Justice Malcomb Hunt on a charge of passing a check for \$100 without sufficient funds to cover it.

Hard Luck has traveled closely in the heels of Mrs. Kyle for the past year, a review of the times she has figured in the news shows. Recently her restaurant on west Maple street was closed and the fixtures were sold at public auction because of debts that could not be met.

In May her adopted son, Dan Kyle, who was employed in the restaurant, was injured in an auto accident on South Woodward avenue. Injuries, at the time thought to be serious, proved slight, however.

An employee of the restaurant was arrested on a charge of selling liquor.

About a year ago, her restaurant and home on west Maple street were completely razed by fire which broke in Detroit. Returning at night, she found all her belongings had been destroyed.

The present charge against her arose from an unpaid bill, it is alleged. The check was tendered to a restaurant at night, the laundry, according to the complaint.

TROOP 3 WINS HONOR TROPHY

Troop 3 Boy Scouts, was awarded the cycling trophies for advancement in the Birmingham district for the six months period ending Dec. 31 at the troop meeting last week. This makes the second time in succession the troop has won the cup, it having been awarded at the year ago. District Commissioner Lloyd E. Stanley made the presentation. The trophy is awarded to the troop making the most advance in Birmingham through merit badges in the period: Earned merit badges in the period: Curtis Matthews-16, Gahn Kimmons-5, Board Stewart-5, Stanley Steed-12, William Bowles-5, Scout Stothoff also became a first class scout during the period. Scouts' Chorus: Thomas Donald Parry, and Roger Toothaker attained second class rank. Scout members: Carl Olsen, Harvey Whalen, Louis Waldorf, Theodore Eyer, and Noel Pope. Scout James Drummond was transferred from Troop 4, and Donald Stewart to Troop 1, Midland Mich. Scout Stewart has returned to Birmingham to live, and attended his first meeting with the troop, since June last night.

BOARD PASSES ON WATERMAIN

Objections to the installation of a watermain in the Golfview subdivision will be heard by the village commission at the meeting at 8 p. m. Feb. 13, it was decided last Monday night.

Estimates of Manager James W. Parry have cost of the project at \$15,000 and the village is to pay one sixth of this according to the plan. The property owners to be assessed are to be assessed their remaining five-sixths.

Manager Parry is preparing estimates on the installation cost of storm sewers for the subdivision. Storm sewers to cost \$8,100 also will be constructed on the subdivision unless objections are heard at the meeting Feb. 13.

Haled into court Monday on a charge of driving without a license after his car collided Sunday with another on Woodward avenue south of Maple. Paul Belleis, Northlawn driver, was assessed \$5 costs by Justice Floyd Ford. Belleis' attorney, who had not brought it with him Sunday.

Both his car and that driven by N. E. Uhleman, 5955 Woodward avenue, Detroit, were damaged when they collided.

According to Serg. Richard Lawler, who investigated, Belleis made a sudden left hand turn and his car was struck by that of Uhleman who did not have time to stop.

WANTED: 12-YEAR-OLD ICE-SKATE OWNER

An unnamed Birmingham boy, believed to be about 12 years old, today is wondering about his ice skates and the people who have the skates are wondering about the boy.

Late last week, Fred Keeler, a

salesman for the Walsh James & Wasey company on south Woodward avenue, saw the lad headed for Birmingham and doing his best to keep up circulation in the freezing wind which swept the roads north of the village. He offered for a ride was gratefully accepted and the boy left him at Woodward and Maple avenues.

Mr. Keeler later discovered a pair of ice skates in the car which the youngster had forgotten.

The skates are now at the office of Walsh, James & Wasey and Mr. Keeler is quite anxious that the boy will get them while the ice skating is still good.

BIRMINGHAM MAN HURT IN CRASH

H. W. Covert Sustains Lacerations As Three Autos Collide On Dixie

H. W. Covert, Hawthorne and Maple roads, is recovering today from injuries received when the car he was driving Sunday on the Dixie highway skidded into a motor bus at Irvington bridge, forcing the bus to pin a small coupe against a guard rail. All cars were damaged.

Don Leison, 71 Hudson street, Detroit was the driver of the coupe and Barney Craig, 120 Madison avenue, Detroit, was driving the bus. Neither was hurt. Mr. Covert sustained scalp lacerations.
