**WE HEARD IT SAID BY—**  
Mrs. Frances Jardine, member of the Women's Club League. On behalf of the Civic League, I wish to urge all the women in the township interested in the coming township elections to be sure and register by Mar. 25, the closing date for registration for these elections. Unless they are all registered by then, they cannot vote. The League is very proud of its two members who are running for township offices, Mrs. Va. Marlotte—who is running for assessor, and Mrs. Blanche White for clerk. The league would also like to warn voters against carelessness with ballots. Every ballot is numbered, and must be accounted for by the board. Therefore, if a ballot is spoiled, it should be returned to the board, and not crumpled up and thrown away.

# M. P. A. Publishers To Be At VanEtten

The Michigan Press Association, whose membership includes publishers of weekly and semi-weekly newspapers in the state, has accepted an invitation to hold its annual summer outing at Van Etten Lake Lodge next June.

This will be the second meeting of the editors and publishers in East Michigan, the first meeting having been held last June at Houghton Lake.

The publishers will hold a three-day session, during which they discuss business, and indulge in their annual dinner and program of outdoor sports competitions.

Any city, town or resort which is fortunate enough to secure for itself the privilege of entertaining the publishers has reason to felicitate itself. There is the satisfaction, pleasing to every host, of entertaining an exceptionally appreciative group, and in addition the presence of the editors results in a great amount of desirable publicity for the community.

Van Etten Lake is an ideal place for a meeting of this kind because of the peculiar appeals of the section, including the Michigan National Forest, the federal flying field at Osoda, the Michigan National Forest, a number of inland lakes, etc.
