

News Of Baldwin H. S. And Other Schools Physical Ed. Class Gives Program

ATTENDANCE LIST NAMED

The perfect attendance list of the Junior session room at Baldwin high school is announced today. This covers the period from September to last week.

Smith, Arthur Staebler, Robert Utter, Harvey Whalen, Seven A—John Bolting, Victor Canever, Virgil Owens, Errol Sage, Frank Smith and Leo Ward; Eight B—Billy Haltee, Oris De Graw, Marion Johnston, Louis Laurus, Donald McDonough, Donald Oliver, Norman Prentice, Clifford Ranser, John Shephard, John Watson and Rita Viet; Eight A—Alicy Hoover, Phyllis Owens, and Marie Walle; Nine B—Donald Blow, Marjorie Canever, Robert Gillispie, Phyllis Goldsmith, Helen Guckler, Esther Ramey, Marion Masters, Jessie Smith, Virginia Ruester, Stewart Smith, and Arlen Andrews; Nine A—Phyllis Bause, Ernest Evans, Julia Myers, Glen Patchett and Esther Rainey.

The physical education classes of Baldwin High School were in charge of the class program last Thursday afternoon in the school auditorium. The first part of the program under the direction of A. L. Van Winkle was a health play entitled "Clean Up." The second part of the program, given by the girls physical education class, under Miss Helen McIntyre, was planned by the girls. It was divided in four parts. Those who took part in the play "Clean Up" are Gerald Graham, Morris Plotkin, Ben Asbun, David Burgess, Harold Miller, Jack Thatcher and Charles Muldrew. Jugg Krowsee, Shirley Dell, Phyllis Huston, Jane Salles, Eleanor Wasey and Marjory Kiddle. Four parts to the girls' exhibi-

tion included, "A Day in the Eight," under the direction of Barbara Jackson; a clog dance by Eight-B girls; drill by Eight-A girls; a play under the direction of Geraldine Kissler; and a Swedish Folk dance featuring Rosemarie Grinningsman, Dorothy Smith, Esther Rainey and Virginia Hugg. SCIENTISTS HOLD MONTHLY MEET Approximately 48 students attended the monthly meeting of the Senior Science club last week in the chemistry lecture room at Baldwin High School. Reports were made on non topics by Jane Shepherd, "The Life of the Chemist, Isaac Newton," by James Winborn, and "Invisible Light" by Rosannah Manchester. A movie showing the growth of cotton including the manufacture of thread and cotton material was presented. W. S. Kottachick, Malcolm Otis, Warren Pratt and John Boyd performed experiments on the production of light and high frequency electricity. A demonstration of colors produced in tubes filled with neon, chlorine, oxygen, hydrogen carbon dioxide and mercury vapor was also given.

Washingtonites May Continue, Says School Head

Rumors to the effect that the general Washington trip of the graduating class of the Baldwin High School are to be discontinued after this year's trip were quipped yesterday by Clarence Viet, superintendent of schools, who said school officials have not acted on the matter.

Scientists Hold Monthly Meet

Approximately 48 students attended the monthly meeting of the Senior Science club last week in the chemistry lecture room at Baldwin High School.

Girl Reserves In Splash Party

The Girl Reserves of Birmingham were the guests of Mrs. Robert Grindley, their advisor, at a "splash party" at the swimming club in Detroit, Saturday. Following the swimming Mrs. T. R. Donovan entertained the girls with a luncheon at the club.

DeMolays Name Cast For Play

The cast for the DeMolay play, "Fifty-Fifty," which is to be given in the latter part of March under the direction of Mrs. L. C. Hoffman and George F. Johnson, was chosen Monday night.

Chemistry Table Made By Class

A chemistry demonstration table is being built by several of the members of the 11 A chemistry class at Baldwin High School while the 11 A class is preparing permanent exhibits of different metals to be placed on the table.

Baldwin Briefs

Members of the Varsity club were engaged in selling basketball programs for the game played with Royal Oak, Friday. The programs, contained the lineup for the two teams, changes in rules and an explanation of fouls and penalties. Advertising by village merchants paid for the printing cost. Included in the program was a schedule of the varsity, reserve and girls games for the season.

Remember Us

The Senior Washington group held its regular meeting Thursday evening. Further plans for the trip to Washington April 7 were discussed.

We Heard It Said By

Rev. Floyd A. Lopez, pastor of the First Presbyterian church, said the churches today face a real task. Their mission is to educate, persuade and guide the youth of today, if properly guided, will make tomorrow a happier day.

the World's GREATEST TIRE

and why it is!

YOU have to show some very good reasons for calling anything "the world's greatest."

Goodyear is "The World's Greatest Tire" because it wears smoothly—runs farther—looks better. Not generalities, but FACTS!

Millions of motorists have proved them on the road, for—

MORE PEOPLE RIDE ON GOODYEAR TIRES THAN ON ANY OTHER KIND

Goodyear is the World's Greatest Tire because it is the only tire providing complete traction on the center of the tread:

Because it has six outstanding advantages—Traction; Supertwist Carcass; slow, even tread wear; quiet, smooth running; Safety; Beauty. More than 100,000,000 Goodyear Tires have been sold—millions more than any other.

Believe us now? Come in and let us explain more fully. You'll like our service too. Just as good as Goodyear.
