Insurance on automobiles, too, must progress with the times. A car policy, of five years ago falls far short in meeting the expectations, and demands, of today.

Time was when assessment policies were tolerated as necessary evils in order to secure low cost car insurance. Auto-Oyners Insurance Compain was one of the first to banish forever the assessment bugaboo. This was made possible by the creation of a Cash Surplus which has now reached the sum of \$370,090,00. In addition to this is the Company's Legal Reserve of \$977,841,92, making Total Assets of \$1,347,841,92.
