J. D. VAN EVERY

Take a Vacation from Washing

Doing the family washing during the hot summer weeks is an unfair burden upon the

housewife. You should add to your summer

vacation and rest by delegating that work to

It will give you an opportunity, too, to prove

to yourself that, after all, the laundry meth-

od is the modern method. Just as inexpen-sive—and just as good work as you could

possibly do yourself-and you have more time to do other things more to your liking.

Let an electric motor do your weekly ironing

Every piece of the weekly laundry _ plain or fancy pieces-light or heavy materials - shirts, pleated dresses, ruffled curtains, flat work - all can be ironed with an Electric Ironer. Electric Ironers eliminate the drudgery of the weekly laundry and out une time required to a more fraction.

Electric Lyoners may be purchased by small monthly payment at any office of
