Evening Station-to-Station rates are effective from 7:00 p. m. to 8:30 p. m., and Night Station-to-Station rates, 8:30 p. m. to 4:30 a. m.

A Station-to-Station call is one that is made to a certain telephone rather than to some person in particular.  
If you do not know the number of the distant telephone, give the operator the name and address and specify that you will talk with "anyone" who answers at the called telephone.  
A Person-to-Person call, because more work is involved, costs more than a Station-to-Station call. The rate on a Person-to-Person call is the same at all hours.

**CHURCHES**

**The Presbyterian Church**  
Floyd Emerson Logie, Minister  
We cordially invite you to the Bible School at 10 o'clock and to the morning worship at 11 o'clock. The pastor preaches on "Duty and Joy." The union evening service is in the Methodist Church at 8 o'clock. The Honorable Grant M. Hudson will speak.

**Christian Science Church**  
"God" was the subject of the lesson-lesson in all Churches of Christ, Scientist, Sunday, July 1. Among the citations which comprised the lesson-lesson was the following from the Bible: "And ye said, Behold the Lord our God hath shewed us his glory and his greatness, and we have heard his voice out of the midst of the fire: we have seen this day that God doth talk with man, and he liveth." (Deut. 5:24).

The lesson-lesson also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "The precise form of God must be of small importance in comparison with the sublime question of what is infinite Mind or divine Love" (p. 256).

**Southfield Methodist**  
Calvin M. Thompson, Minister  
The pastor's sermon for the morning service next Sunday will be, "Is Life Worth Living?" A choir of young people will sing.

**VILLAGE AND VILLAGERS**

(Continued from Page 1)  
Charlie wonders what might have happened to his screen.

Speaking of motion pictures at home, we recall the first time that his four-year-old daughter, Susan, saw a motion picture. It was one evening during Christmas holidays two years ago when he was running off a hundred feet of film of his children, followed by a three-reel film showing Charlie Chaplin in "The Immigrant." After Susan had seen herself, Chaplin appeared on the screen in his characteristic role; if you remember the picture, you will recall that in one part the mother and her daughter are sobbing while being detained on Ellis Island; the picture was so realistic to little Susan that she toddled over to the screen and offered her tiny handkerchief to the sorrowful ones. Had a dish of ice cream appeared on the screen then probably Susan would have scurried to the dining room for a spoon.

George Boutwell, of Lakeview avenue, probably attends more Rotary club meetings than any other member of the Birmingham Rotary club. Mr. Boutwell travels a great deal throughout southeastern Michigan and generally drops in to several clubs each week. He probably knows, as a result of his peregrinations, more Rotarians in this district than any member of his club.

**Snapshots: The hour at noon.** From a lunch room the roar of a radio. Inside at various tables, Henry S. Morgan, Frank Couzens, Arthur Tuggey, Dr. Beck, Miss Brydie Kraft, Miss Beatrice Hany, and a great army of men without coats, struggling against both heat and food.

The coolest place of all on a hot day in Birmingham continues to be the Baldwin Park. Yet it continues to be deserted. This seems to be the wonder of all ages.

The sign erected on the sidewalk outside of the Bloomfield Township offices has been a good investment. It admonishes citizens of the township to sign in and re-register for the coming election. Many people have been seen to read the sign, stop and go up to the office, and according to clerks, since the adoption of the sign there has been a rushing business done in re-registration.

Remember the paradox of the sailors on shore leave who went a-boating in Central Park? or in last week's "Villagers" the firemen who spent their time of shining up an auto? Well, witness what your reporter dug up in the village—a delivery boy for a local meat market riding about with a grocery on the former's day off.

Seven members of the Birmingham Rotary club were missed at a meeting of their club during the past year. Included in the seven are J. B. Howarth and Walter L. Connolly, who have never missed a meeting in the four years that the club has been in existence. If a Rotarian is out of town, he may make up his attendance by visiting some other club. As there are over 2000 clubs in the United States, it is no difficulty task to make up.

**ANNOUNCEMENT MADE OF MARRIAGE HERE**

Announcement is made today of the marriage of Albert L. Smith of Reese, Mich., and Maybelle G. Nelson, of Birmingham, at the home of Rev. C. M. Thompson, pastor of the Southfield Methodist Episcopal Church, at 223 Fernside avenue, Tuesday evening. The bride is the daughter of Mr. and Mrs. Luther Nelson. The couple were attended by Mrs. R. F. Brown, sister of the bride, and Harold Smith, brother of the groom.

Declaring that her husband charged her \$3 taxi fare every time she rode in his car, Mrs. C. A. Ross of Cincinnati sued for divorce.
