EXPERT BRAKE SERVICE

for Birmingham

We are installing the best equipment possible for the servicing of your automobile brakes. This includes a road test brake indicator, which tells the exact amount of road resistance on each wheel when you apply the brakes—an electric drum grinder—and an electric riveting machine.

With such equipment we can offer the motorists of Birmingham an expert and complete brake service—the equal of that in the large metropolitan centers.

Our experience in the line of work being offered you covers many years, and qualifies us to handle this important work for

The easy access to our brake service station, and the parking space and facilities for handling your automobile quickly, gives us confidence that we can handle your brake work in a very satisfactory manner.

We are determined to give you the service you want.
