I'm sure that every Summer Bride (and Winter Bride too) will be interested in this exquisite Boudoir which is being shown by The Wright Drapery Shoppe, 217 N. Woodward Ave. It sounds entrancing with the gray green, peach and orchid... The walls are tinted a lovely dusty green, and the floor covers plain orchid rug... the drapes lovely affairs of peach taffeta and the bed covering peach colored too... The chaise longue and dainty chairs are covered with a marvelous floral fabric with the gray green for a background, flowers in peach and an all but invisible orchid floral stripe... The furniture is Louis XV. Wainwright with a tiny floral motif in colors!

Speaking of Bathing Girls have you seen the gorgeous bathing suits for men at Quas, R. Peck, Sens, 102 S. Woodway Ave? Multi-colored... Tri-colored... Bi-colored and solid colored affairs that bid fair to brighten the beaches on childless days to say nothing of enhancing the charms of the handsome sailor... I hear you lot some handsome hero venture forth in one of these splendid affairs... I'll wager the Bathing Girls (plural I said) won't be far out of the picture!

Some Men are extremely fussy about the appearance of their shoes... others are only concerned about the wearing qualities... Clever men, however, are fussy about BOTH!... and these men instinctively turn to FLOK-SHERIMS... For this marvelous shoe not only introduces every last and swaggy style in men's footwear... but it interprets these styles in leathers of the finest quality!... The Williams Shoe Store, 121 W. Maple St., has just received a wonderful new shipment of Floreshim Shoes in a wide variety of smart new styles and leathers, including both black and tan!

Association of ideas is a marvelous thing!... April & Showers... May & Flowers... June & Brides & Silverware... and most certainly Silverware... E. L. R. Mix, Jeweler, 129 W. Maple St., I think the Bride's Special Washing Fairy must have been at hand when that stock was selected!... so complete it is!... Exquisite larger pieces of silverware... sandwich trays... Tree platters... Brides' boats... bread trays... candle sticks... oh everything in silverware that a bride could possibly want... and of course "Chests of Silver" one I noticed particularly was the silver of "Lorraine Set" an inexpensive but most delightful answer to the Wedding Gift problem!

The right or De-Luxe way to sleep... What the power of suggestion won't do to some people!... Last week I, no longer started talking about the soothing restful qualities of the De-Luxe Bedspings seen at The Trux Furniture Co., 104 N. Woodward Ave., than I apparently drifted off to sleep and raved impartially, but in a puzzling fashion about bedspings and mattresses!... But now I'm all roused up (Thanks to the marvelous De-Luxe) and I'm going to devote every word to singing the praises of the most luxurious bedspings I've ever seen... I'm scientifically convinced to fit the natural sleeping posture of the body, and a single night's trial will convince you that if you haven't a De-Luxe Bed, what you can't know what real rest is!

Frank I'll have to beg someone's pardon about that Father's Day window I enthused about in the Birmingham Department Store 116 S. Woodward Ave!... for it wasn't my window... but after all change demanded a "kiddies" window and of course Father didn't mind!... But after all Father's Day shouldn't be only one day in the year... so this week there is a window just filled with the most delightful gifts imagin-

It will be well worth while to stop in and investigate this marvelous Velour Finish, a beautifully dulled, richly toned paint that is WASHABLE!

British Justices
In Palestine Courts

Considerable changes have been made in the judicial system of Palestine under the British Administration. The highest court is the Court of Appeals, which is presided over by the Chief Justice of Palestine and includes a British Vice President and four Palestine members. For judicial purposes the country has been divided into four districts, with courts at Jerusalem, Jaffa, Haifa and Nablus. Each district court consists of one British and two Palestine judges. In commercial cases brought before the district courts the presiding judge is authorized to appoint two persons of commercial experience to sit with him in place of the regular judges.
